Old by-laws have new effect

by Janice Pinke

Grant Smith, Madoc's newly appointed By-law officer informed the Review last week that, effective immediately, those vehicles illegally parked in a spot designated for the handicapped, will be tagged and towed.

QUICK & PAINFUL

Abuse of the handicapped parking spots, says Grant, occurs mainly on St. Lawrence East, the first spot around the corner from Nickles Jewellery. You know who you are and Grant assures those violating these areas, that the tagging and towing process

will be a quick one. Those vehicles allowed access

to those spots, only, are those

bearing the familiar wheel chair distinction on their licence plates.

The Review inquired about those vehicles displaying the same distinction via a sticker on their windshield. According to Grant, those stickers can be bought in stores and aren't a valid handicapped licence for their vehicle.

The handicapped distinction on a licence plate is issued by the Ministry of Transportation and is the only handicapped symbol recognized for its validity.

Any missing vehicles have been towed to Pigden Motors on Russell Street. They've got the towing contract with

Madoc Village.

BY-LAW NOW IN EFFECT

Last Thursday (December 1st) a Village by-law became enforceable until March 31, 1989.

The by-law restricts vehicles from parking on village streets during these winter months.

Grant says he can see the only time this by-law would receive its strictest enforcement would be when a parked vehicle hinders the snow removal

process.

STILL JUST A WARNING

As yet the village has not received regulation parking tickets, which would result in a monetary fine, for those vehicles parked in areas where it is posted or marked as prohibited.

Warning tickets are being distributed instead. These tickets resemble an actual ticket except that the word 'warning' is clearly visible across the ticket.

Grant Smith says he will contact the Review when the regulation tickets are received from the Attorney-General's office.

They moved it!

by Janice Pinke

Frank Pinder, Engineer for the Hastings County Planning and Land Division says "the Ministry of Transportation in Kingston found a provision in the signing regulations to get around the location limits of the sign".

Last Friday morning the sign was moved back to, basically, where it had stood for the

last 14 years. It's now situated a couple of feet closer to the curb for better visibility. Wayne's happy and "amused".

Saturday, November 26th and Sunday, November 27th, road crews were again called out to the Esso station to, on both days, re-erect the sign, which had again been hit and disturbed.

For the history books

by Janice Pinke

As I left the Tweed Playhouse last Thursday evening (Dec. 1st), I heard people giggling, laughing, chuckling and appraisingly reminiscing about what they had just seen. A derogatory comment never grazed these ears; nor should it have.

Barefoot in the Park, presented at the Tweed Playhouse by the Tweed National Theatre December 1, 2 and 3 was, even on opening night, a smash, a gas, a thoroughly enjoyable evening. Worth

every penny of the \$5 adult admission charge and better than sitting in front of the television, any day.

If you missed it, you missed out!

Annette Olive, Julie LeSage, Richard Rashotte and Dave Summers, along with all supporting cast members and crew are to be commended for breaking that leg, and in Dave's case, that toe.

Keep reading the Review and watch for more upcoming excitement at the Tweed Playhouse in downtown Tweed.

Bravo!

More photos pg. 7

There it was!

Residents north and south of the hwy. 62 and Crookston Road intersection telephoned the Madoc Review this week complaining about the lack of 'advance signing' in that area. After reading the Review's feature last week about the Willemssen's Esso stop sign problem, these residents, wishing to remain anonymous, felt this paper might be able to help them.

Their problem: the intersection in question has no advance signs, advising motorists of the eastbound County Road access to Crookston and Tweed villages.

As a result motorists travelling in either direction and who are not familiar with County Road 38, end up turning around

in homeowner's driveways or making 'U' turns, thus throwing gravel over homeowner's lawns.

The Review, after making several calls, was referred to a Bruce Todd of the Traffic Section of the Ministry of Transportation of Ontario. Todd said that currently the Ministry is reviewing the signing issue in Ontario. New signs are being erected throughout Ontario and since Crookston Road is a County road, advance signs will be posted. Mr. Todd assured the Review that he would personally note the intersection we discussed and "see what we can do", although any changes will not be evident for at least 3 months.

We're all going mad

Stores to stay open 'til 11 p.m., Friday

by Janice Pinke

Running for the last couple of years and always successful, Moonlight Madness is on again.

"This Friday (Dec. 9), Madoc's merchants will remain open until 11 p.m. for your added

shopping convenience. Those merchants joining in on the madness include: Stedman's, Stickwood's, Johnson's Pharmacy, Rupert's, Canadian Tire, Trim & Tone Fitness

Angelo's of Madoc, Pigden Electronics, Brownson Kitchens, Ace Pizza, Sharon's Boutique, Today's Girl, Madoc Video, Pat's Ice Cream

Merry Christmas!

Jeanne Hawley of Madoc visited the Trim & Tone Fitness Centre on their opening day last Thursday, taking advantage of the 'one free session' coupon advertised in local papers and again located

on page 4 of this paper. Cut out the coupon & check out Trim & Tone this Friday during Moonlight Madness, as they are, joining in on the fun and will remain open until 11 p.m.

by Janice Pinke

Open for business

The Trim & Tone Fitness Centre does exactly what the name says, their facilities trim and tone your muscle tissue. Other centres touting the same equipment as our Trim & Tone Fitness Centre advertise their programs as effortless.

Here in Madoc, they don't prescribe any diets but do recommend that you watch what you eat, the best way being by following the Canada's Food Guide.

The Trim & Tone program insists on one thing however, that you drink between 8 and 10 glasses of water per day, the only way to insure maximum results from the programs regime.

At the beginning of the Trim & Tone program your body's measurements are recorded, from head to toe as the program concentrates on size reduction (inches) rather than weight loss. However, making sure that you follow both their fitness and (a) diet program, weight and size reduction is possible.

No reduction process is ever

simple, but this program appears to be one of the easiest it followed enthusiastically.

The Trim & Tone Fitness Centre does not operate on a membership basis. The cost is \$10 per session or 10 sessions for \$90 or 25 sessions for \$200.

BUT WAIT...

ITS CHRISTMAS

Trim & Tone is currently offering a special running through until Christmas; 10 sessions for \$75 or 25 sessions for \$160. There's a "first session free" coupon on page 4 of this paper.

Trim & Tone wants you to feel free to use the coupon with no obligation: "Come in, use it and leave; the product sells itself."

Other specials are planned for the future to encourage seniors and men.

The Centre's hours are Monday to Friday, 8 a.m. to 9 p.m. and Saturday 8 a.m. to 1 p.m.

DATES TO REMEMBER

Dec. 11 - At 7:30 p.m. the Madoc Community Choir presents "Gloria In Excelsis Deo" at the Trinity United Church. Proceeds go to Madoc's Helping Hands program.

Dec. 12 - Quinte Injured Worker's Group, 7 p.m., Centennial Secondary School, Belleville. Topic: opposition to Bill 162, Worker's Compensation Amendment Act. For info call 966-8686 or 477-2955 evenings.

Dec. 15 - Go shopping in Toronto. Cost: \$17. For further info contact Wilfred Forestell at 473-4303, Evelyn Rollins at 473-4427 or Francis or Mary Taylor at 473-2328.

The can can

by Janice Pinke
Madoc's Helping Hands were at Madoc's Santa Claus parade November 20th and according to them so were you!

Both financial and non-perishable donations exceeded most expectations.

Fran London, on behalf of the "Helping Hands" project, would like to extend their thanks and sincere appreciation to all those who made a

donation.

With Christmas nearly here, the Review has received inquiries as to where people, who want to add their support, can drop off their donations.

Fran London, who in the daytime teaches at Madoc's Adult Day School, says you can drop them off to her there at the school which is located on Durham Street North next to the Madoc Hotel.

Christmas Choir

Each Wednesday evening the sanctuary of Trinity United Church, Madoc, is filled with the sounds of the Advent Season. Approximately thirty singers are preparing a lovely Christmas Musical which proclaims the birth of Christ. The Cantata, "Gloria In Excelsis Deo" is being sung by an interdenominational choir. The choir will be accompanied by piano, organ and trumpet and is directed by Damaris Faulkner.

The presentation will take

place at Trinity United Church on Sunday, December 11 at 7:30 p.m.

The free-will offering will be used to assist the Madoc Helping Hands.

Plan to attend and join in the celebration of history's greatest message!

"Unto us a child is born.
Unto us a son is given.
He is called Jesus, Savior,
Counselor,
Prince of Peace. Gloria In Excelsis Deo!"

Deputy Fire Chief; Sir!

December 1st, Carl Derry took over as Deputy Fire Chief for Madoc Village. Mel Bronson is retiring after an estimated 20

years service. Carl is Part Manager for Pigden Motor Sales Ltd.

Madoc's Adult Day School held a draw for a number of prizes for which they have been selling tickets for, for a number of weeks. The fundraising efforts pay for the school's rent and telephone expenses. Ticket sales from this draw are going towards a months rent. The students sold the tickets and the top ticket seller was Chuck Walters, pictured above holding the ticket canister. Reeve Tom Deline drew the winning tickets last Friday afternoon and Fran London chaperoned. The first prize of 2 tickets to the New Years dance at the Kiwanis Centre went to Beverley Heagle. Second prize of a dinner for two at the Barn Door restaurant at Campkin's Camp Inn went to Harold Pigden and Cathy Myles won the third prize, a spice basket donated by Kate's place.

BINGO event

The "Community Bingo" held at Madoc's Kiwanis Centre, last Friday, was a sellout. The place was packed. So much so, that The Review couldn't fit everyone into a picture.

Therefore, pictured above, playing the game of Bingo is Don Milville of Don's Photography. According to Don, the sweat he's wearing, also comes in T's and are available at Don's store or at his wife's spot, Pat's Ice Cream Parlor. They've got sole distributors rights. The shirts read "Bingo 'til ya Quack".

The Kiwanis Centre deserves a special mention for donating the Kiwanis facilities for the Bingo event. Proceeds go towards sending the grades 5 and 6 students from Madoc Township Public School to PEI in April or May of 1989.

Assault

Thirty-eight-year-old David Maines of Hungerford Township has been charged with Break and Enter and Assault Cause Bodily Harm. The incident occurred on November 27, 1988, in the Village of Tweed.

Maines was arrested and released at a bail hearing on December 2, 1988. He is to appear in Belleville Provincial Court on December 15, 1988.

Fatal MVA

On November 26, 1988, at approximately 5:10 p.m., on Crookston Road (County Rd. 381), a short distance west of Tweed village limits, a fatal accident occurred. Donald Brian Logan, age 24, of RR 2, Stirling, was driving a Chev Blazer which collided with a manure spreader being towed by a tractor. Twenty-year-old Peter K. Thompson of RR 2, Roslin, a passenger in the Logan vehicle died as a result of the accident. The tractor was driven by a youth.

Logan has been charged with dangerous driving causing death.

Also Robert Fred Palmer, age 40, has been charged

with the following:

1) Permit Person Under 16 to Drive a Tractor, Section 23(2) HTA

2) No Red Light on Rear of Tractor, Section 44(24) HTA.

Logan and two other passengers, Robert A. Bailey, 27, of RR 2, Roslin, and Donald Findlay, of RR 2, Roslin, are all in stable condition.

Winter Driving

The winter season is upon us and with it comes poor driving conditions. The OPP would remind motorists to slow down when the roads are slippery and caution should be exercised when driving during the winter. Have a happy and safe winter.

Centurion's claim silver at All Ontario Championships

The Senior Boys Volleyball team achieve the ranking of a silver in last weekend's OFSAA (All Ontario Championships), held in Stratford, Ont. The home team of Stratford Central beat our Centurions in the finals 2-0. Coach Carm Donato says our boys went into the finals undefeated. Congratulations!

Wreath vandals captured

The incident regarding the destruction of the wreaths at the cenotaph on the evening of last November 11, has been solved.

Madoc O.P.P. contacted John Inglis, our new Deputy-Reeve and Poppy Chairman for the Remembrance Day ceremony and informed him that three 9-year-old boys were the ones responsible for the desecration of the wreaths. But because of the age of the three individuals, there was not much that could be done

except contact their families which has already been carried out. It is to my understanding that Mr. Inglis is going to be receiving phone calls from their parents with regards to paying for the damages caused. It is unknown at this time if the reward money will be claimed for information leading to their apprehension. The names of the three children have been withheld for precautionary measures guarding their safety and well-being.

Say NO to drugs!

Tabatha Carr (l), a grade 4 student at Madoc Township P.S. and Janet Crawford (r), a grade 6 student at Madoc P.S.

both placed first in a 'Say no to drugs' poster contest. Contestants for the poster contest were all karate students.

Tabatha placed first in the junior division and Janet in the senior division. Posters were entered from as far east as

Kingston and as far west as Trenton. Above, they stand in front of their winning pieces. Congratulations to both girls.

Cooper/Remington ladie's celebrate 60 years

(from left) Jean Bailey, Ruth Holmes, Muriel Fitzgerald & Shirley McCoy

Sixty years ago on Sept. 18th, 1928 a group of ladies from Cooper & Remington met at

the home of Mrs. Earla Moore to organize the Cooper & Remington Women's Institute

Branch. This organization has continued to prosper through the years and on September 7th, 1988 about 75 guests and former W.I. members, special guests, Mrs. Frank Thompson, Marysville, Trent Valley Area President, Mrs. Jean Sills, Roslin, Provincial Board Director, Sub Division 5, Mrs. Sharon Phillips, Madoc-Hastings North District President, met at Cooper Community Centre to celebrate and reminisce.

A short program in the form of a skit played by members of Cooper & Remington W.I. depicting a meeting of sixty years ago.

Mrs. Rex Rollins presented four of our members with Life Memberships and corsages: Mrs. Fred Bailey, Mrs. Carl Fitzgerald, Mrs. Gordon Holmes, and Mrs. Lynn McCoy.

Mrs. Herb Brady, a charter member was presented with a corsage.

Everyone enjoyed the afternoon Tea and Anniversary Cake which brought a very enjoyable afternoon to a close.

CRUISE ALASKA'S NEW GLACIER ROUTE ss ROTTERDAM JUNE 18-25, 1989

Starting May '89 Holland America Line introduces the Glacier Route, including spectacular College Fjord with its 16 blue-white "rivers of ice". Book by December 31 and the savings are in a class by themselves. During this 7-day cruise aboard the legendary ss Rotterdam, you'll visit the scenic and popular ports of Southeast Alaska: Ketchikan, Juneau and Sitka. Plus Valdez, the "Switzerland of Alaska". You'll observe up close some of Alaska's most famous glaciers: the mighty Columbia and Hubbard Glaciers along with College Fjord. It's a great opportunity to experience more of the wonders that make Alaska the Great Land for as little as \$1529.* So call today and learn more about our group departure June 18, 1989. Other dates available.

*Price is per person based on double occupancy and includes early booking bonus. Taxes, port taxes, airfare and insurance are extra. Availability is limited at these prices.

J.M. SEVEN SEAS TRAVEL LIMITED

191 Dundas Street E., Belleville

Madoc Twp. resident returns

by Janice Pinke

Mike Rollins, an Ontario Hydro employee and a resident of Madoc Township, returned November 11th from Jamaica, where he helped work to restore power to the tiny hurricane stricken country.

Mike and 11 other area men volunteered their services as part of Canada's Jamaican relief effort, which, for this group, lasted 4 weeks.

Mike says his group was assigned to restore power to a subdivision of approximately

20,000 people withing the city of Kingston, Jamaica, whose population is estimated at 700,000.

By the time his group left in mid November, Mike says they had restored power to about 30,000 people.

When the 12 man group first arrived in the city of Kingston they attended a briefing where they were told that if they knew Detroit or New York City, then they knew what to expect in Kingston.

The hotel the men stayed in was surrounded by fences and armed guards. The Canadians were cautioned not to leave the hotel grounds after dark. Due to power outages across the tiny country, the government there had instituted a

curfew which began at 10 p.m. each evening.

Due to lack of social activities, the men took only 2 days off the whole time they were there. Temperatures ranged between the 90 and 100 degree Fahrenheit mark.

Mike says if he ever goes back it would be for a holiday. Volunteer crews from Quebec, Newfoundland, Manitoba and another 12 local men from the Public Utilities Commission were due to arrive in Jamaica, Mike heard, as his group was leaving.

Cliche at CHSS

Dec. 9th

Guidance is an important thing to have at any age. It helps people to see things, blind to them. A school too is not complete without guidance. There is guidance from parents, teachers and peers, but most importantly from guidance counsellors. Mr. Gary Allin has been a guidance counsellor for the past 15 years. He is presently dedicated to the guidance department. The department is a team. They work together to help students. Mrs. Powell, Mrs. Mabro, Mr. Pesowsky and Miss Baker round out the team. They see every student at the very least, once a year and some on a regular basis.

Leadership is also essential to every school. Eric (president) and Kerry Allin (vice-president) have shown this to be true. On December 8, it will be time to elect new Leadership. The Leadership hopefuls are, for president, Darlene Stoddard and Kerry Allin (yes

our former vice). For vice, Alice Nickerson and Ian Ketcheson.

Ian (a member of IHC) and Kerry (former vice) are running together as a "spirit team" - what they call themselves. Alice Nickerson is presently SADD (Students Against Driving Drunk) vice-president. All have put on a rowdy campaign. May the best people for the job win!

Cliche is a band consisting of 3 CHSS students Brian Sanderson, Scott Haggerty and Daryl Waugh who put alot of time, money and effort into making their music. December 9, this talented band will play at the CHSS dance. With talent like this, they're sure to be a hit!

Saturday December 3, loyal fans filled a spectator bus headed for Stratford, Ontario and the All Ontario Volleyball Championships, in which our senior Centurion team is competing. The team left Thursday, December 1st.

KALADAR

OPP Report

During the period of November 24, to December 1, 1988, members of the Kaladar Detachment investigated 17 general occurrences.

GENERAL
General occurrences included requests for property checks, liquor violations, drive under suspension and other minor violations and problems.

On November 25, 1988, Prov.

Const. D.L. Mackinlay had the occasion to check a vehicle on Highway 41, and found the occupant to be in possession of a narcotic and as a result a charge of possession has been laid.

On November 28, 1988, Prov. Const. D.J. Blasko received a report of theft of a canoe. On November 27 or 28, 1988, a canoe, owned by Michael J. Bolton of Flinton, was taken from its place in storage. Investigation is continuing.

TRAFFIC

During the past week there were no motor vehicle collisions. For the month of November, there was a marked decrease in accidents. There was a total of 10 collisions investigated, four involved deer and three were non-reportable. The decrease is due to the fact that there were no major snowfalls for the month.

RIDE

During the month of December, members of Kaladar Detachment will be conducting more extensive RIDE checks and traffic endorsement to reduce and prevent motor vehicle collisions during the festive season.

Quinte Crime Stoppers Inc.

Quinte Crime Stoppers in co-operation with Madoc Detachment of the Ontario Provincial Police, are requesting your assistance in solving a theft that occurred sometime between August 21st and 23rd, 1988.

The victim, who resides at Lot 11 Concession 4, Marmora Township, advised Police that the motor had been attached to his boat, which was kept in front of his cottage. His wife noticed the motor missing and a search of their property failed to find it.

The motor is described as being a Shakespeare electric trolling motor. The color is white and grey and it was bearing serial number 9964DE when it was stolen. The model number is 603 and it has three speeds, as well as forward and reverse. The motor is valued at \$100.

If you have any information concerning this theft, Crime Stoppers would like to hear from you.

Crime Stoppers offers a CASH REWARD up to \$1000 for information leading to an arrest in this crime or any other unsolved case. If you have any information, call Crime Stoppers at 969-8477 or 1-800-267-4357. Callers will not be required to reveal their identity nor testify in court.

Watch for a re-enactment of the "Crime of the Month" on

Cable 4 TV, Belleville, at the following times: Mon. 8:30 p.m./ Tues. 7:30 p.m./ Wed. 8 p.m./ Thurs. 8 p.m./ and Sun. 5:30 p.m.

To make a tax deductible donation, write to: Crime Stoppers Quinte Inc., P.O. Box 726, Belleville, Ontario K8N 5B5.

Crime Doesn't Pay - Crime Stoppers Does!

WHAT IS MORAL BEHAVIOR?

According to a Reuters report from Stockholm, Sweden has long ago arrived at complete sexual freedom. Old-fashioned fornication is quite accepted by parents as normal for their youngsters. It is recorded that only five per cent of the girls and two per cent of the boys go with their purity to the marriage altar.

This kind of behavior leads one to ask the question, "What is moral behavior?"

It seems that every Canadian is concerned about this question. Christians should be especially concerned. Not only should we be concerned, but we should be ready to establish our reasons for believing that an activity is moral or immoral.

In establishing right or wrong, as Christians, we will look at a variety of factors, but one factor will be paramount. We will consider our family upbringing, our inherited social mores, our subjective opinions, our church traditions, and earlier Christian attitudes.

Religion in Life

Pastor
Aaron Patriquin,
Madoc Wesleyan
& Free Methodist
Church

Yet, beyond our finite understanding and experience, we will ultimately look to our infinite God for His appraisal of morality. While these other considerations will enter into the discerning process, ultimately God's revelation in His Word will be our standard.

Purchance the Bible does not explicitly state a position on a subject of morality, we would turn to the application of biblical principles.

In our application of biblical principles, we will let the Bible expound for us what it will. Secondly, we would use our enlightened reasoning (enlightened faculties) to interpret scriptural principles. Thirdly, we would run our thoughts and attitudes through a restored and tuned conscience. Fourthly, we would consider other Christian thought and even our own experience. Finally, we would decide what would be moral for us.

We would recognize the human element involved in

these choices can mix clay with iron. We would fully agree that in these there are areas of personal conviction. They are for us only. They are not to be forced on others.

Love should be our guiding light when personal convictions clash. Arguments over personal convictions are clearly unscriptural and unprofitable.

Now, let us return to those occasions to when scriptures clearly speak to a moral dilemma. For example, when faced with the decision to malign a person intentionally by gossiping, it should be clear that the scriptures guide us trenchantly. It would be wrong to engage in this activity.

Choosing the right from the wrong presents a great challenge to each Christian. We can help each other in our discovery of God's morality if we would each dedicate ourselves to the study of God's Word. We could pray for each other before we seek to instruct in morality. We could strive in our own lives to be like God. We could allow God to refine our natures, that we might reflect His glory more and more.

Introducing...Mr. & Mrs. Reeves

Grace United Church, Trenton, on Saturday September 24, 1988 was the setting for the candlelight marriage ceremony of Susan Dawn Gervais and Mark Alexander Reeves, of Tweed with Rev. Earl Taft officiating.

The bride is the daughter of Mr. and Mrs. Harvey Gervais and the groom is the son of Mr. and Mrs. Ernie Reeves of Trenton Ont.

The Church was decorated with candelabra and peach pew bows and the wedding music was provided by Mr. Donald Burke.

The bride was given in marriage by her parents.

The bride's gown was a white full length dress of lace and beads with sweetheart neckline and long puff sleeves and featured a long lace train. To complete her ensemble the

bride wore a matching picture hat of lace and beads with neckline veil. She carried a bouquet of red roses.

Maura Toner was maid of honour and bridesmaids were, Lori Gervais and Lisa Gervais. The girls wore identical 3/4 length peach balloon dresses with lace neckline. Each of the attendants wore pearl earrings and carried bouquets of peach

carnations with baby's breath accented with feathers and pearls.

Todd Reeves was best man and ushers were Jimmy Thrusell and Kevin Gull.

For the reception held at the Elk's Lodge in Trenton the bride's mother wore a turquoise blue 3/4 length belted dress with matching jacket. She was assisted by the groom's mother in a turquoise green 3/4 length dress featuring pleats at the hem.

Mr. and Mrs. Charles Hyatt the bride's grandparents and Mrs. Ruby Holmes, the groom's grandmother, also assisted in the receiving line.

For their honeymoon in Niagara Falls and around Lake Ontario the bride chose a 3/4 length navy blue dress with waist ruffles.

Out of town guests attended from Tweed, Peterborough and Whitby.

The happy couple are now residing in Tweed.

SCIENCE IS HAPPENING HERE

Liz Churcher was in our school recently to provide support for the teaching of science in both primary and junior divisions. Liz has had extensive science training and seems to have "limitless" reading resources for use by the teachers.

We look forward to working with Liz again in the new year as she finds time for us while working on her Doctorate in Education.

WHOLE LANGUAGE
Carol Grosjean, ASG Support Staff was in our school last week. She was involved in discussion with many of the teachers.

Carol is assisting the staff in getting the Whole Language program implemented in the school.

BOOK FAIR
Our annual Book Fair was held in our library last week. It was a great success.

"Thank you" to the parent volunteers who assisted Mrs. Gayle Ketcheson, and also to those people who purchased books and other materials. The money from the Book Fair will be used to purchase books and other items for the school.

VOLLEYBALL TOURNAMENT
On Thursday, December 1st, Tweed hosted the annual volleyball tournament for the junior students of our ASG.

Madoc Township, along with Madoc, Tweed, Marmora and Stirling all had teams representing their schools.

Our teams didn't bring home any trophies, but both our boys and girls teams played well all day.

Congratulations to all who participated!

Rush -

Blakely Wedding

On September 17, 1988 in Long Sault, Ontario, Father Frances Whitten united in marriage Debbie Blakely and Larry Rush.

The bride is the daughter of Ross and Katherine Blakely, formerly of Madoc; the groom is the son of Bob and Kathleen Rush.

The bride was given in marriage by her father.

The bride's gown was made of white bridal satin with a sweetheart neckline and beaded bodice. The long pointed sleeves featured pearls and sequin motifs. She carried a white satin Bible featuring red and white satin roses with pearls, fern and ribbon. Her head piece was a satin rose tiara with frosted illusion veiling, pearls and sequins.

The brides's attendants were a friend Elizabeth Taylor as maid of honour and bridesmaids Caroline Primeau, Mia Rush and Lucy Mackey. Their dresses were of azure green

flocked satin, tea length with long sleeves and matching satin shoes. They carried lace parasols covered with satin roses, pearls and greenery. In their hair they wore a floral piece in coordinating shades.

Brandie Rush, niece of the groom was flower girl, she was dressed in white. The best man was Victor Baldesari. The ushers were Greg Blakely, brother of the bride and Robert and Jeff Rush, brothers of the groom. The men wore black tuxedos with tie and cummerbund matching the girls dresses.

Cory Rush, nephew of the groom was ring bearer. He wore white with azure tie and cummerbund.

A reception was held at MacDonnells Inn, Cornwall, Ontario. Greg Blakely was toastmaster of ceremonies.

A number of relatives and friends from Madoc area attended.

Minutes from Huntingdon Twp. council

The inaugural meeting for the Township of Huntingdon will be held on Tuesday December 13, 1988 commencing at 11 a.m.

It was discussed that due to the fact that the Municipal Office closes during the Holiday Season that only one meeting of Council would be held in December.

A discussion took place regarding the problem with water flow at the store in Crookston. Apparently the beaver are damming up the creek North of this location and is affecting a level of water at this particular spot. Council-

lor Allen also advised that the Fire Dept. uses this location for filling their tanker truck in the case of fire.

It was moved by Bill Allen, seconded by Ken Yarrow that correspondence be forwarded to the Ministry of Natural Resources advising of the problems with beaver damming the water North of the Crookston Store and Council's concerns that the water supply is not adequate for Fire Dept. Use. Carried.

A report of Livestock Valuer, Burton Calvert, was presented to Council for approval. Laurison Grills had one ewe killed

by wolves. Value \$150.00. A motion was moved by Ken Yarrow and seconded by Bill Allen that Laurison Grills be paid \$150.00 for one ewe killed by wolves and the appropriate forms submitted to the Ministry of Agriculture for payment. Carried.

A letter was received from Murray Everett, owner of part Lot 10, Concession 8 advising that he is interested in purchasing the section of CP that abuts his property if the price is reasonable. It was moved by Bill Allen and seconded by Ted Pollock that correspondence from Murray

Everett be received and that he be advised that the right-of-way has been offered for sale to the Province of Ontario and we are waiting their decision as to the interest. Carried.

Councillor Yarrow declared a possible conflict of interest on the following item of business and left the Council Chambers. Correspondence from the Hastings County Planning Dept. advising of an application to amend the Official Plan from PA to RU, Pt. Lot 3, Concession 2, Dave Schulz. The motion was moved by Bill Allen and seconded by Ted Pollock that the County of

Hastings Planning Dept. be advised that Council has no objections to the application to amend the Official Plan from Prime Agricultural to Rural for Dave Schulz. Carried.

Council had their fall road tour on Saturday October 15, 1988. Council visited the site of Thomasburg Truck Centre Pt. Lot 20, Con. 4. A neighbour has expressed concerns over the expansion of the business which has the status of legal non-confirming use in regards to the Township's Zoning By-Law. Council expressed the feeling that there are less vehicles located on the property now than a few years ago. The Township Zoning By-law was passed in July 1983.

Council met with some of the property owners in the area of Moira Lake on Hwy. 62. The CN embankment had been previously lowered and sloped by the Township and the material utilized on the 12th Concession project. There was some discussion as to the need for extra ditching along the private roadway that exists at this location. It was moved by Ken Yarrow and seconded by Ted Pollock that the Road Superintendent be requested to contact Andra Rungis from the Moira River Conservation Authority and run levels in the area of the CN embankment that was lowered and prepare a report for presentation to Council. Carried.

Council visited the Community Hall in Moira to determine what repairs would be necessary this fall. The Township has applied for a Capital Conservation Grant but the Ministry approval was not expected until December or January.

OBITUARY

CHARLES HERBERT TROTTER

Charles Herbert Trotter of Springbrook, Ontario passed away Monday, November 28, 1988 at Springbrook, Ontario. He was 72 years old.

Mr. Trotter was born at Harold, Ontario, the son of James and Veinie Trotter.

He is survived by his wife Pearl Hannah and son Gary Hannah and his wife Sheila of Oshawa, Ontario and grandson Gary Jr. He was predeceased by grand-daughter Angela.

Mr. Trotter had resided in Springbrook for the last 12 years, and had previously lived in Bannockburn.

He was the brother of Robert Armstrong of Bannockburn.

Mr. Trotter was a member of the Royal Canadian Legion of Marmora.

On Nov. 30, 1988 lodge services were held at the McConnell Funeral Home, Madoc.

The funeral service was held Dec. 1, 1988 at 1 p.m. at the McConnell Funeral Home, Madoc, Ontario with Rev. Don McEwen officiating. Interment was at Fox's Cemetery, Eldorado.

Pallbearers were Ken Hannah, Larry Hannah, Glen Foster, Wayne Armstrong, Jack Lloyd and Wayne Vinnicombe.

Before you send it, send it...

with a Christmas Seal!

Dave Stewart

Mans defence for Junior B champs

by Jim Parcels

(Special to the Norwood Register)

Waterloo - When the hockey season opened in Norwood three weeks ago there must have been a small feeling of emptiness. Or a large feeling, depending on how you look at it. The days of watching David Stewart shoot bullet-like shots or throw bone-crushing checks at the Brethen Coliseum are over.

The old "No. 2" jersey may never be worn the same way again.

Stewart is still firing shots, though. It's just that he is now pursuing his trade many miles from Mr. Brethen's house; in a city many times the size.

Today, Dave is a member of the powerful Waterloo Siskins Junior B hockey club - Ontario's oldest and most successful Junior hockey franchise.

Since 1940, Waterloo has won nine OHA Junior B titles, three of which have come in the last five years.

Defending Ont. champs

Last spring, the Siskins defeated the Barrie Colts 4-1 to win the 1988 title. One member of that team last year was Jamie Pegg who now plays for the Peterborough Petes.

The **Midwestern Junior League** is respected by Ontario Hockey League (OHL) scouts as one of the top breeding grounds for future Junior A players - which is why Stewart

chose to ply his trade there.

The 16-year-old, 5' 11", 195 lb. defenseman is currently leading the Siskins' defence in scoring with seven goals and 14 assists for 21 points in his first 20 games.

Not a bad start for a kid who just got out of Bantam hockey.

"The games are a lot more intense from what I have seen before and the fans are always interested," Stewart says.

At one game in Waterloo earlier this year there were close to 1,000 fans in attendance at the Waterloo Memorial Arena. A crowd like that at a Junior B game is almost unheard of.

The games are definitely intense.

I attended a Waterloo-Stratford game in October (the game close to 1,000 witnessed) and the hockey game was one of the best played contests I had ever seen. The Siskins won 6-2 but by no means was it evidence of the calibre of play.

Dave is currently enrolled in grade 12 classes at Bluevale Collegiate Vocational Institute in Waterloo. According to Dave, making a change from Norwood District High School was a big adjustment.

"It is definitely different. A school that size seems to be very unfriendly and isn't as close as it was in Norwood."

Bluevale Collegiate holds over 1,300 students and is the second largest school in the city. Waterloo is also home to two universities - Sir Wilfrid

Laurier and Waterloo.

As a member of the 1987-88 Peterborough Roadrunners, Stewart did not taste victory once in Junior B hockey. The struggling Runners compiled a horrid 0-36-2 record last season and finished dead last in the Metro Junior B loop.

Explaining the difference between Peterborough and Waterloo Stewart said that "in Waterloo there is always a winning attitude and the team is based around winning."

"The pressure to win is not that great during the regular season but when the playoffs come around that really changes," he added.

This past summer Dave beat incredible odds by making the Ontario Under-17 team, a unit comprised of the top 20 Midget-aged players in the province. Dave was selected as a defenceman after a process that looked at over 4,000 players.

Members of the team included such talents as Drake Berehowsky of the Kingston Raiders (the OHL's top pick last June), Jean-Paul Davis of the Oshawa Generals and Grayden Reid of the Guelph Platers.

It was during the camp that Stewart turned the head of Siskins' head coach Gerry Harrigan. Dave went undrafted as an under-age player last June - a move (Peterborough Petes coach) Dick Todd may be kicking

Cont'd on page 7-A

[Photo by William Freeman]

A Bantam-style greeting: Hastings Donnelly Fuels Bantam star, Kirk Fleming, was hounded all night by Norwood Home Hardware Bantam players during their Wednesday evening matchup. Fleming still managed a brilliant three-goal outing even though his team came up a little short losing 7-5. Norwood's equally fine forward, Andrew Hamilton, cashed in for six goals.

Closing date for all Christmas Greeting Ads is Friday, December 9th., 4:00 p.m.

Stewart plays in Waterloo

Cont'd from page 1-A

himself for -- but is eligible this year as a 16-year-old.

Dave has also learned that the further you go in the sport, the tougher the coaching gets.

"I really feel like I am being picked on this year since it is my first (in Waterloo). I really respect what the coach has to say but I haven't had to face that before. They show me all the little things I am doing wrong but I have definitely learned a lot."

What you may never see Dave do in a Waterloo uniform (which are, by the way, identical in colour to Norwood's) is pull off a patented up-ice rush.

Kerrigan employs a solid "stay-at-home" defensive concept that even Dave has to abide by. Although he has scored seven goals this year, most have come on his long, hard drive from the point.

The Waterloo "bubble"

At any Siskins' game you will find a "festive air" to the Memorial Arena, which is covered by an air-supported "bubble" roof. Any Junior B club could use Waterloo as a model franchise. A hospitality bar called Club 34 is open during intermissions in the upstairs lounge.

There are also several draws, a win-a-car shootout and even exhibition ringette games between the Siskins and local women's teams.

In Norwood, Stewart had a career that was nothing short of spectacular.

If statistics were kept during his days in Norwood his goal total must have been somewhere around 500. Add to that three OMHA titles, five OMHA finals and an Atom Zone championship and you have a player who knows what it takes to win.

To say that Dave isn't a prospect for the OHL Priority Draft next June in Toronto would be ludicrous.

Someone once said that "drafts are only felt through an open window on a windy day." By looking at Dave's accomplishments so far this season -- in one of the best Junior B leagues in the province -- I would say that "wind" may soon be of gale force strength.

Extra Points

Talk about a small world. Two of Dave's closest rivals in Bantam hockey are playing in the Midwestern Junior B league as well. Steve Gibson (Howick Township) and Brad Moran (Sullivan Township) are playing for the Owen Sound Greys...Remember Steve Bancroft? the high scoring forward for the Madoc Bantams. The 6'1", 205 LB. defenceman of the Belleville Bulls is currently rated as a first-round selection of the National Hockey League draft next June. It seems hard to believe that little Jimmy Crawford had him frustrated completely in 1986 when Norwood upset Madoc...Greg Corneli, who played against Norwood for Little Britain, was selected by the London Knights in the 14th round last year. Corneli played last year for the Little Britain Merchants Jr. C club...Speaking of Little Britain Jr. C, ex-Norwood Midget player Pat McGriskin played there last season after returning to his hometown area. In a case of extreme coincidence, McGriskin ended

up being a teammate of Frank King of the Port Carling Midgets. The two were rivals during the Midget's 1987 title run in which Norwood eliminated Port Carling 3-0...Andrew Conte, a talented player from the Campbellford area, is a member of the Thorold Blackhawks of the Golden Horseshoe Junior B league. Conte led the Campbellford Juveniles to the

OMHA title in 1987 and headed to Thorold last year.

(Jim Parcels is a freelance writer enrolled in Sports Administration at Durham College in Oshawa. The NDHS graduate divides his time between academics, work with the Canadian Soccer League and championing the notion of a Canadian-based Arena Football franchise)

1st annual

Holiday Ford spiel

The first Holiday Ford Cash Spiel was held at the Norwood Curling Club with 16 teams competing for over \$2000 in cash prizes.

The first event was won by Bill Peterson's rink from Peterborough, who defeated Harvey Montgomery's four-some from Stirling, in the finals. Finishing third in the first event was Tom Cushing from Peterborough, followed by Doug Burnside from the host club in fourth place.

David Burnside's team from Land O Lakes Club in Tweed won the second event, defeating Don Patterson from the Norwood Club.

Andy Nielsen from Peterborough defeated Boyd Kelly from Norwood to win the third event, while Gord Munro from Norwood defeated Campbellford's Casey Charles to win the fourth.

The Rural Scene

by

Ken Yarrow

The Ontario Federation of Agriculture recently held its annual convention in Toronto, and it may be interesting to note some of their concerns.

Representatives are sent to the convention from all the counties, districts and regions of Ontario. This convention provides an opportunity for all to express concerns and to actively participate in the discussion around the issues of the day.

It also provides an educational format for those who may not have had a chance to observe policy in the making before. It is very easy to misunderstand a final decision when one only reads the end result and is not aware of the discussions and rationalities for these decisions or has read one-sided reports either in favor of or opposed to.

Hastings County, for instance, had a resolution in requesting the continuation of the Ad Hoc Committee on Waste Management. We feel that the preliminary report does not go into enough detail. Furthermore, we do not want to see all the effort filed to gather dust. The information cost a fair dollar, not only in cash, but in time and effort of

those involved in its formation.

Prince Edward County had one calling for greater involvement and research regarding not only waste management but a broad spectrum of environmental concerns. Grenville has concerns for those farmers adjacent to landfill sites and the methods by which they will be compensated for loss of property values, etc. These motions were all referred to the December Directors' Meeting for further discussion and disposition.

Norfolks' resolution was around the damage to roads, bridges and adjacent wells and crops from the use of calcium chloride on roads. There are different products being experimented with at the present time to replace it, but it seems the cost is prohibitive.

One such product is made from corn and the discussion centred around this as a source of income, as well as long-term savings to highway properties and private properties as well.

One cannot help but see, in a high percentage of the resolutions, the concerns for our physical environment. It would really seem that the groups controlling production and disposal are going to have to quit stalling and do something more than bandaid the problem.

We have spent enough on studies across this province on pacifiers - let's get to work and spend those dollars on solutions.

Now studies are necessary, but I don't feel that the same darn materials needs to be gathered in every municipality so it can be held up and say look at what we're doing, and you had a part in it. The only ones making any headway are the consultants, in their bank accounts.

Despite all the fine rhetoric I feel that the Honourable Mr. Bradley is stalling. I have said it before and will again: Separation is one of the finest things we can do and is an absolute

necessity but it is not enough.

It seems to me that as usual one part of the problem is publicly promoted instead of implementing the method to deal with the problem as a whole. It is always less effective, as well as more expensive to do things piecemeal.

For instance, construction of facilities, instead of two maybe one will cover, instead of two land purchases maybe one. Short term stop-gap measures do not make for long-term economical solutions.

I knew better than to look at those resolutions concerning environmental problems. I tend to get a little frustrated at the pace things move. Meantime, back at the dumpsites, volumes are escalating and problems for the future are accumulating.

For those who would like to put a smile on a child's face for Christmas, donations to children's fund will be accepted by the Huntingdon Township Recreation Committee at the Township Office until December 16.

VITALAIRE

Reid Harmon is a sales representative for Vitalaire Medical Supplies, sales, rental and repairs, in Peterborough. Reid is very helpful, and has a great sense of humour. His easy manner will put you at ease. He will help you choose whatever will be best for your needs in wheelchairs, scooters, hand controls for cars, crutches and even kitchen utensils. You name it, he's got it! You can contact him at 675 The Queensway in Peterborough, or call collect 1-(705) 743-7483.

REMINDER

The More Able Than Disabled Club will be meeting at the Community Care Centre, 44 Front Street North, Campbellford, on Monday night, December 12 at 7:30pm. The guest speakers will be Mr. Murray English from the Ministry of Transportation, who will speak on information concerning transportation for disabled, and Doris Gilbert, from the Ontario March of Dimes, who will discuss the results from the surveys for the disabled. Everyone is welcome.

Let us all get together on this and help one another. Do not be a shut-in simply for lack of transportation.

It all depends on you!

HELPFUL HINTS

If your hands are weak, consider these ideas: there is available a soft rubber tubing called "rubazote" which is at most handicapped specialty stores. This can be cut to any length and used to enlarge the handles of small utensils such as knives, spoons, toothbrushes, pot handles etc.

There is a potato on the market that has a wide flat grip and it can be pulled rather than pushed. If you can use only one hand, have this wide peeler attached with screws to a length of board which can be clamped to the water faucet. With this set-up, the vegetable

can be peeled directly under the running water.

MINCEMEAT APPLES

WITH A SNOWMAN
6 apples
1/2 cup sugar
red food colouring
1 jar mincemeat
3 cups of water.
Peel and core apples. Combine sugar, water and food colouring in a large saucepan. Stand the apples in saucepan. Simmer until apples are tender. Remove and invert to drain. Place in a baking pan. Fill the apples with mincemeat. Serve warm around Hard Sauce Snowman.

HARD SAUCE SNOWMAN

1/2 cup butter creamed
1 egg white
3 to 3 1/2 cups of confectioners' sugar
1 tsp. rum extract
Cream all together. Make a ball of 3/4 of the mixture. Place on a plate. Form a ball with the lesser amount, and put it on top of the larger one, for the head. Use two cloves for the eyes, one for the nose and a piece of cherry for the mouth. Use raisins for the coat buttons. Put a toothpick through two dates, using one for each arm. Flatten a date. Form it into a round piece. Put a toothpick through a cherry and through this flattened date, placing it on an angle into the head, as a "tam o' shanter." Place the snowman in the centre of the tray of warm apples. Each guest spoons some of the hard sauce onto the apple. DELICIOUS!!!

TIPSY PUDDING

This is one of the choice recipes from grandmother's days. It appeared in a place of honour on New Year's Day. The secret for success is to use very stale, very porous cake. A broken, not cut, cake at least four days old, should be soaked in sherry. Allow about one cup per one quarter of good sized cake. One hour later, cover the cake with a soft custard,

flavoured with rum. Serve very cold.

SOFT CUSTARD

2 cups milk
2 whole eggs, or, 4 egg yolks
1/8 tsp. salt
4 tbsps sugar
1/2 tsp. rum
Scald the milk in the top of a double boiler. Beat together slightly the eggs, sugar and salt. Add the hot milk to the egg mixture. Mix thoroughly, and return to the top of the double boiler. Cook over hot water stirring constantly until the mixture coats the spoon. Add the rum.

What a treat!!
CHOW! See you next week!

CARD OF THANKS

WE wish to thank our family, relatives and friends for the cards and gifts to mark our 40th wedding anniversary. We will treasure them always. Warden John Irwin and Mabel.

THE family of the late Robert Parsons wish to thank friends, neighbors, relatives and bearers for their acts of kindness, expressions of sympathy, floral and memorial tributes during our recent bereavement. Special thanks to Dr. Keogh and staff of Campbellford Memorial Home. We would like to express our gratitude to the Rev. Minister, Rev. Roger Miller. Thanks also to the ladies of the Presbyterian Church for the refreshments following the services.

THE family of the late Margaret Robinson wish to express sincere thanks to relatives, neighbors and friends for cards, floral and memorial tributes and many acts of kindness during our recent loss. Special thanks to Rev. James Armstrong for his comforting words. We would also like to express our gratitude to the McConnell Funeral Home, Madoc. Thanks to Zoni and neighbors for food services and kindness. It will always be remembered.

MANY thanks to our kind and thoughtful neighbors on South Maloney St. We'll miss you. Gib and Nan Chapman.

THE family of the late Lex van de Ven, an eighteen-year veteran of The Metropolitan Toronto Police Force, who died of a tragic hunting accident on November 3rd, express their thanks to all who assisted in the search when he was reported missing. Thanks to Madoc and Belleville Ontario Provincial Police, The Canine Unit, and Doctor Briggs. The Jerrett Funeral Home and Reverend Rumble of Toronto, The McConnell Funeral Home, Reverend Armstrong of Marmora, the Lions and Lionsesses for the luncheon after the service in Marmora and friends and family who came to Toronto. And for the many flowers, donations, cards and inquiries. We are very grateful for the support and caring of The Metropolitan Toronto Police. My most heartfelt thanks to my family who are always there for me and my son, Jane (Goodchild) van de Ven and son Ted.

I WANT to thank everyone who called, came to see me in hospital and since coming home: also those who sent cards, flowers, baskets of fruit, treats and food brought to my home. Your kindness is deeply appreciated. Bessie King.

By Bill Freeman

It was rock and roll time at
the Hastings arena November
25 because it sure wasn't hock-
ey even though the record
shows a 4-4 draw between
visiting Havelock and the
home team.

Hastings 4, Havelock 4

The officials managed to
dole out three misconducts,
two game misconducts and a
match penalty in the course of
three periods of alleged hock-
ey. In the end, there were 34
minutes in penalties to Hast-
ings and 24 to Havelock.

The players spent more time
skating to the penalty box than
they did to the net!

Scott Wyndham got Hastings
on the board first with an
unassisted goal at 6:25 of the
first period. The teams
managed no more scoring in
the period.

Hastings doubled its lead at
11:48 of the second when
Jeremy Young netted another
unassisted goal. Havelock
erased the shutout four
minutes later when Pat
Bertrand scored from Todd
Murray and Peter LaRush.

The home team increased its
lead just 13 seconds later on a
Steve Turcott goal. Wyndham
picked up an assist.

Havelock cut the lead to 3-2
at the start of the third period
when LaRush scored an un-
assisted goal. Todd Murray tied
it up 19 seconds later with help
from Dan Darrington.

Hastings regained their lead
with 3:46 remaining in
the match when Turcott picked up
his second goal of the night.
The visitors salvaged the tie
with 17 seconds left on the
clock when Gavin Bell teamed
up with Murray to score.

Havelock 4 at Hastings 4

Village pets should stay at home

Doctor called to Madoc P.S.

by Janice Pinke

Last Friday morning Dr. Derry was called out to Madoc's Public School on Baldwin Street after a child had an encounter with a loose dog in the school's playground. The boy, aged 13, received a slight break in the skin resulting in the area to become bruised. He's okay, but it could

have been worse. Grant Smith, Madoc's part-time By-law Enforcement Officer and Animal Control Officer arrived at the school later that day but there was no sign of the dog which is tan in colour and a looks like a hound more than anything else. Grant says any animals taken into custody on Village streets

will be dropped off at Belleville's Humane Society and if not claimed within a reasonable length of time, will be put down.

The dog, apparently just playing around, was not wearing a collar. According to staff at the school, "it's not the first time this has happened".

Christmas music on Durham St. results in complaints

by Janice Pinke

Several complaints have been received by our By-law enforcement officer, Grant Smith, in regards to Pigden's speakers and their Christmas music being played on Durham Street.

The complaints have been filed by people living in the vicinity of the speakers. After speaking with these people, Grant, doing his duty, visited Pigden's Electronics and they agreed to turn the music down during the Moon

light Madness sale Friday evening which ended at 11 p.m. Since those people filing the complaints wished to remain anonymous, Pigden's didn't have to do anything about the music but complied anyway. 'Tis the season.

Midway for fair

Madoc Madoc Fair Board has announced it has just signed a three year contract with Maqua Amusements of Fergus, Ont. Once again the smell of Popcorn and Candy Floss will blend in with the Carney's call of "Just one more try." All of this set among an array of bone

jarring Midway Rides that our youth love so well. Madoc Fair Board thanks everyone for their patience and assistance in getting through the 1988 Fair without a Midway. 1989 promises one of the Best Fairs we have ever seen in Madoc. Thank You Santa! Thank You Santa!

Firefighters to honour 42 year veteran

A retirement party honouring Mel Bronson's 42 years of service on the Madoc Village Fire Department will be held Saturday, December 17th, beginning at 7 p.m. at the Village Firehall behind the Kramp's Restaurant.

From the firehall the party will then continue at the Kiwanis Centre's Christmas party that same evening. Carl Derry has taken over the position of Deputy Fire Chief which Mel has now retired from.

Roger Snider (l) and Larry Carswell, both of Madoc Village's Fire Department were busy last Wednesday constructing the community skating rink, to be situated this year in the parking lot of the Village's ball park across from Kramp's restaurant. The rink will open as soon as our volunteer firefighters can flood it and temperatures permit solidification for skating purposes. A special mention is to go to Walter Danford for his donation of materials for the rink. Monetary funding is supplied by Madoc Council. Since the upkeep of the rink, as in the past, is a community effort, Larry Carswell would like to remind us that it is to be shovelled off by those who use it, children and adults alike. Our Fire Department volunteers their efforts for the rink's flooding and construction. Thanks Guys!

Out with the old & in with the new

Thanks to Madoc council

Madoc Village got new Christmas lights December 5th. Electrical crews worked most of the day installing the lights which council approved in the spring for installation this Christmas. Reeve, Tom Deitne says it's just another step towards enhancing

Madoc's business district and he's hoping that store owners will enhance their own businesses although most already have. The new lights replaced the old lights which twinkled on Durham and St. Lawrence Streets.

Letter to the Editor

Dear Editor

Isn't it funny that in this day and age of new technologies that the age old problem of alcoholism is still such an overwhelming problem.

There are many different points of view on this serious problem. Such as, "Oh" they're only blowing off a little steam, or he or she only gets bombed every now and again.

"But Damn It All," alcoholism isn't funny, it's a serious problem in this the 20th century.

With more people being born every day, and everyone wants to work less, and make more money, than they ever have. Along with the money and spare time on our hands. They're bringing down the drinking ages and making it so much more accessible to the new generations which are coming up. "Oh" some people might think it's funny that a young person gets drunk.

But damn it all it isn't funny, that maybe a few days or weeks, or months or years down the road, this funny drunk person might become a down in the gutter alcoholic or a high class alcoholic.

"Alcoholism" is a disease like cancer, it always gets worse, but there is help for alcoholism.

Alcoholism isn't funny at any stage of the game. But it isn't a game, it's a serious problem.

And the alcoholic who is writing this article just wishes that society would wake up to the disease of "Alcoholism."

This time of the year it's an even bigger problem, with all the parties and functions, which we attend, where drinking alcohol is just the thing to do, with out even thinking.

So please, before you drink, STOP AND THINK.

Have a joyful and happy holiday. Thank you.

Just a concerned Alcoholic

Editorial

I was going to write this when I learned what I recently learned. The "Letter to the Editor" printed above my editorial, accordingly, only substantiated the fact that this piece of literature would mean more to me and hopefully you, than just something to read.

My best buddy Debbie, age 23, telephoned me from Toronto nearly two months ago complaining that her family was getting on her case, repeatedly claiming that she was an alcoholic.

Without questioning it, I immediately surmized the statement to be absurd and telling her so, she agreed.

After all, I know Debbie. I knew she drank, but come on... Although I hadn't seen Debbie very much since I moved here I still thought the accusations absurd and unfounded.

It couldn't be. This type of thing only rears it's ugly head in other peoples lives, not mine.

Debbie called me again a week later.

She had been drinking about 26 ounces of booze per day, give or take an ounce. At work she'd conceal a mucky of booze and sneak a drink in the washrooms there. This call to me, was ONE of the first steps in dealing with the alcoholism she had first lied about. This week, nearly 8 weeks later, Debbie is home after finishing her rehabilitation at Bellwood Hospital in Toronto. Bellwood is an addiction rehab facility strictly for alcohol and cocaine; the cost, \$1500.

Speaking with her recently Debbie explained that she doesn't have an alcohol problem, she's got an addiction problem. In other words, her addiction, although it was to alcohol, could have been cocaine, LSD or anything. Her disease, according to Bellwood, is addiction.

I knew one of the major signs of alcoholism was when a person sneaks a drink, but I wasn't there, I was here.

If I had been there I wouldn't have given her a shot in the mouth but a shot in the head and then a big hug. I love her and even more now.

Officer on duty

Grant Smith, Madoc's part-time By-law Enforcement Officer, applies a warning ticket to a vehicle parked in a handicapped spot on St. Lawrence East last Tuesday (Dec. 6th) afternoon. The warning ticket also reads that the vehicle will be towed if it

you've lost your vehicle from the handicapped spot you parked it in, you can find it at Pigen Motors who have made an agreement with the Village to tow those vehicle abusing the handicapped parking only by-law.

Harold Harris was sworn in as Madoc Township's new Reeve Monday, December 5th. The remainder of the Township's council consists of Mary Pigen, Duane Foley, Raeburn Robinson and Robert Sager.

As publicized in last weeks Review, the Centurion Senior Boys Volleyball Team received a silver medal at the All Ontario Championships recently. Here, relaxing after a great season are (back from left) Raul Martin, Jamie Mastorakos, Peter Denison, Terry Albert, Chris Chard, Coach Carm Donato, Asst. Coach Brian Hyde, (front from left) James Ahola, Trevor Grey, Tim McEwen, Chris Fales and Steve Kennedy. Tom Sutton of Kramps Sports joined the photo (behind the coaches) as Kramps was the official sponsor of the senior winning team.

Minister

The Tweed District of the Ministry of Natural Resources announces that the trapping rights to eight blocks of Crown Land are available for allocation. Further information and applications for individual blocks are available at our offices in Tweed, Bon Echo Provincial Park and the White Lake Fish Hatchery.

The deadline for applications is extended to Thursday, December 22, 1988 and successful applicants will be notified by January 6, 1989.

Deli delicious

by Janice Pinke

Dori's Deli opened its doors in Tweed November 21st. The deli specializes in homebaked goods such as fresh sandwiches & salads, both made to your individual specifications. Homemade soup along with other healthy edibles and drinks including juices, milks and soft drinks.

Dori's Deli can be found on the east side of Victoria Street (main st.) just north of Tweed's jewellery store. You enter into Dori's through the side entrance of the Community Care program. A sign is posted out front advertising the deli's daily specials. The store is owned by a Doreen Terry and managed by Liane Holmes

MADOC VILLAGE COUNCIL

A Hush-a-thon was held at Madoc's Public School November 8th and 9th. 244 students participated in the Hush-a-thon which requires the children to remain silent for one hour. Parents, relatives and peers sponsored the children for the marathon which resulted in school proceeds of an estimated \$3200. Those students collecting the most money in their divisions are (back from left) Penny Chard, Dawn Chard, Brian Whiteman, (front from left) Keith Miller, Cory Sutton and Jennifer Vezina. Proceeds from the marathon are going towards the school's yearbook, reading materials and planned excursions.

Liane Holmes manages Tweed's new deli which opened Nov. 21st. She is also the wife of Tweed's ALL NEW Deputy-Reeve Murray Holmes. I don't know how she manages. All right Murrmm!

by Janice Pinke
Monica Pazdzior of Frasersville, Ontario, arrived at the home of her boyfriend, Christopher Mocon of Marmora, Sunday afternoon, discovering later that one of her many rabbits had come with her for the ride.

Madeline Mocon, Christopher's mother, contacted the Review's head office in Marmora last Monday after learning that the rabbit, a pet, had travelled from Frasersville in the wheel-well of Monica's Acadian.

Monica says, she had a nice leisurely drive from her country home in Frasersville, through Peterborough, stopping for a car wash and then continuing on to her boyfriend's residence.

The pet rabbit held on though, through car washes and over dirt roads exiting from the car's interior/exterior (?) once it stopped moving.

Madeline says she noticed the rabbit sitting beside the car later that Sunday evening and upon further investigation, Monica discovered it was one of her many pet rabbits. Frasersville is located an estimated 15 miles east of Peterborough.

O.P.P. REPORT

Found Outboard Motor

Madoc OPP have three outboard motors for which they cannot find the owners. If anyone has had a lost or stolen outboard motor, they should contact Madoc OPP at 473-4234. Arrangements can be made to identify the motors.

Theft of All-Terrain Vehicle

A four-wheel drive Honda all-terrain vehicle was stolen from a location in Madoc Township around December 6, 1988. The vehicle was kept in an unlocked barn. Prov. Const. William K. Terc is investigating this theft.

Break & Enter

Madoc OPP are investigating a break and enter in Hungerford Township. Robert Daley reported his residence was broken into and some items were stolen. Among the items stolen were a VCR and a television. PC Robert Garrow is investigating.

In the Courts:

Possession of a Restricted Drug: 19-year-old Wayne S. McGuire of Marmora, Ontario, was convicted in Belleville Provincial Court of possession of a restricted drug on December 5, 1988. McGuire was given a fine of \$350.

The charges stemmed from an incident on February 23, 1988, when a vehicle was stopped in Marmora, Ontario, by the OPP. Sixty-three hits of LSD were seized by the police. McGuire was subsequently charged and convicted.

Break and Enter: A Toronto man was convicted of break and enter and possession of stolen property in Belleville Provincial Court on December 8, 1988. Twenty-two-year-old Steven Corbett was sentenced to five months in jail.

The charges were a result of a break-in to the Cassidy Funeral Home in Marmora on April 16, 1988.

Madoc OPP have charged a young offender and an adult male with break, enter and theft, following an investigation in Huntingdon Township. Twenty-two-year-old Jeffery Jones will appear in Belleville Provincial Court on January 14, 1989. The young offender was remanded in custody following a bail hearing on December 8, 1988. Police are continuing their investigation.

Impaired

Forty-eight-year-old John Atkinson of Madoc, was charged on December 6, 1988, with having care and control of a motor vehicle with more than the legal limit of alcohol. He will appear in Belleville Provincial Court on December 29, 1988.

Phone No.

Madoc OPP telephone number is 473-4234. If there is nobody in the office, your call will be automatically transferred to Belleville OPP. If the phone is busy, call the operator and ask for Zenith 50000.

Kati Bradley (l) and Susanna Shields (hiding) were at Madoc's IGA last Saturday promoting the sale of fresh holly for the Canadian Lung Association. The girls volunteered their services as part of their Community Service Project with the 1st Madoc Girl Guides. All proceeds went to the Lung Association who has been running the holly promotion in Madoc for the last 3 years.

CENTURION HIGHLIGHTS

by
**Tristan
Haynes**

December 7th CHSS held their student elections. As of Jan. 1st, Eric Littkemann steps down as President and Kerry Allin (the former VP) takes his place. Ian Ketcheson is the new Vice-President. The two ran in the election campaign as the 'spirit team'. One thing that Kerry hopes to institute during her reign as Prez is a student of the week project. Dec. 9th, Cliche played for students at the school's dance. Ken Lasko DJ'ed during the bands breaks. Here's hoping we see more of the talented trio in the future (no doubt!).

CHSS JOINS FORCES WITH TWEED'S SALVATION ARMY

Christmas is a time of giving. Again this year CHSS is working with the Tweed Salvation Army and their 'Christmas Sharing' program. The way it

works is, students and staff bring in non-perishable items, toys or games and put them in one of the 'Christmas Sharing' boxes which are located in all home rooms.

The IHC & CHIC then prepare food baskets which the Salvation Army pick up and distribute to needy families in Madoc, Tweed, Marmora, Stirling and as far as Maynooth. The program had an overwhelming success rate last year and as a result members of the Salvation Army came to CHSS to personally thank students and staff. This year already promises to be a repeat performance, possibly even better, here's hoping!

HOLIDAYS START EARLIER

This year's Christmas holidays start earlier than usual.

Thank-you Marmora

The new organizers of the Marmora Santa Claus Parade, the Hill and Valley Trail Riders Association, wish to thank all participants for making this year's parade a success.

Approximately 50 entries, including several bands, marched through the downtown section in the traditional expression of goodwill.

Thanks also to the many merchants who supported the parade with donations. The Hill and Valley Trail Riders Association look forward to their community involvement in the New Year and extend an open invitation for guests at their meetings held the last Wednesday of each month. For more information, call 472-3256.

This means that students cannot bring in non-perishables for the baskets. As a result IHC & CHIC are sponsoring fund raising activities. The money raised will go to buying perishable items or turkey vouchers.

Some of the activities planned are the Golden Voice contest and the Christmas Auction. A \$5 entry fee is collected from the competing home rooms and students. The object: to try and guess which teacher is singing. The homeroom that guesses correctly wins 25 percent of the money collected. The remaining monies go to the Salvation Army.

The Christmas Auction is Dec. 13th and is being held during the junior & senior lunches. Run by Lisa Corbett & Sandi Gunning, teachers have donated items to be auctioned to the highest bidder. Selling the goods will be licensed auctioneer, Mr. McFee. Some of the items included is Mr. Berry's lab coat, 2 giant chocolate bars & 2 giant apple fritters from Kramps Restaurant.

This year's Christmas assembly is the biggest yet. Scheduled to last a little more than an hour, those performing include Mr. Reeve's grade 11 & Miss Henderson's theatre arts classes, along with the recent 'airband' winners. A mystery act will again be presented to arouse curiosity and Santa Claus will be taking time away from his North Pole workshop just to visit CHSS. The assembly is Dec. 16th.

Another week ended. If you are not going to be here next week, have yourself a merry 'lill Christmas and a happy new year. Don't forget to keep that chimney clean, you wouldn't want a cleaning bill from old St. Nick.

IS YOUR HOUSE SHOWING ANY OF THESE SYMPTOMS?

- Your TV picture shrinks when the dryer starts.
- Your wiring can't handle any more new appliances, like the air conditioner you've been saving for.
- Fuses keep popping.
- Your house is plagued with extension cords and too many plugs with too few outlets.

If so, your house may be showing its electrical age. Older homes with only 60 or even 100 amp service simply won't handle all the modern electrical appliances that have become part of our family living.

And these symptoms are not only inconvenient, they're downright unsafe.

Modernize your home. Upgrade your electrical system and wiring... and enjoy a comfortable and safe electrical future.

SNAGS IN MORALITY

When we want to decide what is right or wrong, we may rely on many factors. One factor most rely on, is their conscience.

The snag in the courtroom of morality comes when we accept our conscience as our judge, rather than our witness. Our consciences do approve or disapprove of our conduct, but only as a witness, not as a

judge. Our conscience is a faculty which aids us in apprehending God's will for us and in governing our lives. However, it is not the final stamp of approval for our conduct.

Ultimately, the judge of our decisions and behavior is God. To allow our conscience to be our judge is to usurp God's authority.

The question we should raise, concerning our conscience, is "How reliable a witness is my conscience?"

The Bible gives us a range of descriptions of the conditions of the conscience. A conscience can be clear and good, or weak, or guilty, or even seared and corrupted.

A clear and good conscience would seem like a reliable witness. Yet, in 1 Corinthians 4:4 (NIV), it says, "My conscience is clear, but that does not make me innocent. It is the Lord who judges me." Again, just because we feel good about our decisions does not necessarily mean they are right.

It would stand to reason that a weak conscience would be an untrustworthy witness. Weak

consciences are usually due to a lack of proper information. Thus, a weak conscience makes us feel uneasy concerning our morality.

A guilty conscience would seem to be a good indicator that something is wrong. However, we must be sure that what we are feeling is true guilt and not just false guilt. If it is false guilt, we may be condemning ourselves unjustly. If we are feeling real guilt, we may have some repenting and confessing ahead of us.

If we possess a seared or corrupted conscience then we have a problem. A seared or corrupted conscience will spew out wrong indicators. Wrong indicators from this type of conscience are reflective to two laws. The first law is known as "GIGO". The second law is known as "IGNORE".

The conscience operates much like a computer. It is programmed. It does what it is told to do. One of the words in computer lingo is "GIGO". Simply deciphered, it means, "Garbage in; Garbage out". Applying this to our consciences, we could say, "If we feed or program our conscience with garbage, then our conscience will feed back to us nothing but garbage."

If we choose to exercise the second law of "IGNORE" then we will operate blindly by choice. To illustrate this law, think of driving in your car and you notice that the oil lamp is lit. Now the law of "IGNORE" dictates that you will fail to notice the light so you forget about it. The only problem with this choice is that, in ignoring the signal of trouble, we cannot escape the consequences. As a result, the engine seizes and you pay the price of ignoring the light.

People in the habit of ignoring these lights usually discon-

nect them. This is what the Bible calls a seared conscience. A seared conscience is inoperative and disconnected. It is not consulted. Since it is inoperative, it does not signal trouble. Where there is no awareness of trouble or wrong, there is no guilt. Such a conscience then cannot be considered a reliable witness.

If we have learned anything from this discussion, it is that we should submit our choices before God for validating. We should be extremely wary of the witness of a weak conscience. We should train ourselves to recognize true guilt from false guilt and be committed to dealing with any true guilt.

We should seek to feast our conscience on the good things of God, so that it will be capable of guiding us. Finally, we should commit ourselves to consulting the dashboard of our heart at regular intervals.

Pee Wee's Have It Easy

The Madoc Pee Wees proved a two week lay-off didn't hurt them, as they won their second of the year in convincing fashion. They defeated Marmora Pee Wees 23-9 on Friday evening.

Tom Burnside proved again to be the big scorer with five goals and added four assists. Derek Davidson followed close behind with four goals and an assist. Brian Nikeforuk and Tom Sandford both recorded hat tricks (first of the year). They also added an assist a piece. Marcie Deering, Craig Alexander and Pat St. Germain counted a pair. Darcy Brownson and Brian Phillips had singles (for both the first goal of season).

With assist/wer e Brian Phillips (2), David Graham, Marcie Deering (2), John Brownson (2), Brian Nikeforuk, Pat St.

Germain (3), Rob Perrie (3) and Darcy Brownson (1).

The second game of the weekend did not prove as easy, as the locals had to come from behind to earn a tie. This goal was scored by Brian Nikeforuk, with only 43 seconds left in regulation play. He was assisted by Tom Burnside. Tom scored early in the game on an assist by Brian Phillips and this lead held up until early in the third when three goals by Lakefield forced the comeback. Derek Davidson scored unassisted for the other Madoc counter.

The Madoc Pee Wee's will host Stirling on Dec. 17 at 12 noon. Come support the boys.

Bantams Split Decisions
The Madoc Bantams split the last two games almost by identical scores losing 6-3 to Lakefield and defeating Tweed 6-2.

Madoc scored once in each period against Lakefield but four goals by the opposition in the second ensured them the victory.

Scoring for Madoc were Tom Burnside from Mike Goulah and Joe Kehoe assisting. Finishing the scoring for Madoc in the third was Charlie Brownson from Pat Mahoney and Tom Burnside.

In the 6-2 win over Tweed, the locals found themselves quickly behind by a 2-0 score. A score which held up until late in the second when Joe Kehoe scored twice, a minute apart. He was assisted by Troy Trotter and Tim Bailey on the first and Jason Frances and Troy Trotter on the other.

Going into the third period tied, the locals never looked back and scored four unanswered goals. Pat Mahoney from Brad Binch. Brad Binch

from Joe Kehoe; Chad Bate-man unassisted (his first of year) and Joe Kehoe completed his hat trick from Charlie Brownson and Jason Frances.

Madoc Bantams will host Stirling on Dec. 23 at 9 p.m. Atoms Defeat Tweed

The Madoc Atoms recorded their second win of the season with a 3-1 victory over Tweed. Brian Phillips scored two goals in the first to give Madoc the lead they would need, both goals were unassisted. After Tweed had scored in the third to come within one, Matt McCoy scored on an assist from Jose McNeil.

The Atoms record now stands at 2-5-1 midway in the season.

Midgets on A Roll
After earning only one point in their first four games the Midgets are now on a 5 game

winning streak which brings their record to 5-3-1 midway in there schedule defeating Brighton 6-1; Rodney Forbes gave Madoc a lead in the first, he was assisted by Deryk McNevin and Dan Beals. Brighton tied the score early in the second, but this was all they were to count as the defense went to work. The offense did so also and scored five unanswered goals. These came off the sticks of Jim Bonter (2), Jeff Sawkins; Drew Allenby and Paul McMaster. Pauls and Drew's goals were unassisted. Mike Kehoe assisted on Jeff's goal. Dean Brownson and Paul McMaster assisted on the first of Jim's goal and Robyn Plumble on the other one.

Madoc's next home game is Dec. 19 at 9 p.m. against Ennismore.

Carol-Ann Kramp thanks parade supporters and participants

Without the following support, the Madoc & District Santa Claus parade would not have happened. Carol Ann Kramp would like to extend her thanks to the following merchants and their appreciated donations to the project.

Gilmour News

by Blanche Phillips

Sympathy of our community goes to the Cooney family in the loss of a mother and grandmother. Also to the family of the late, Marguerite Chisholm. Prayers and get well wishes go out to Carolyn Scaife, Andrea Poulain, Beverley Phillips, Harry Chatterton and Mrs. Frank Robbins.

Many colds and flu are in our community. Keep Well.

Look and Live

As a child I saw the Bible on our table

Or laid on the old organ shelf Its pages frayed, filled with tracks or other markers

To find a scripture so quick for others or ourself

Memories of bygone years, a Bible, good counsel and prayers often said:

A strong foundation in childhood, adolescent years laid for one.

What a tribute to those not with us now

But just gone on ahead.

In the twilight, or by coal oil lamp light.

Our parents opened the Bible, read and we'd all pray!!

Times are changing, Ah! friend but not for the better in this dark age

So much scurry and rush here and there

Hardly time to think, let alone take time for a Prayer.

When He taught His disciples, saying Our Father in Heaven Thy Kingdom come

And said should do as I have done and go not astray

Pilgrim, friend let's take time to Pray.

This old worlds reeling to and fro like a drunk in confusion,

Perverseness, Iniquity, hatred, deceitful lusts without conscience or compassion;

A voice quiet, still small says, look, speak first seek after those things above

With much prayer, Repentance love thy neighbour

In these deeds, we look and we live.

Lodges unite for annual Christmas dinner

Madoc Lodge 179 and Oakdale Rebekah Lodge 134, their spouses and children joined together Saturday evening (Dec.3rd) for their annual Christmas dinner.

Mr. Hugh Johnson treated us to a musical interlude and afterward the card tables were set up for euchre.

The evening of Dec. 7th saw Madoc Lodge 179 I.O.O.F. hosting Lodges from Springbrook, Stirling and Tweed when Paul McInroy and Ray Wiley were initiated into Stirling Lodge 239 and Springbrook Lodge 429 respectively. The degree team, led by Captain Bro. Kel Morrison did a splendid job and we wish the new members a long and constructive Odd Fellowship.

After the conclusion of the meeting the members joined together for reminiscing and a tasty lunch provided by Bro. John Wagner's committee.

Madoc Lodge 179 extends to one and all our best wishes for

a merry Christmas and a safe and happy New Year. Till we meet again. Robert H. Wilson

Peace Park wants Boxing Day to be Int'l Peace Day

by Priscilla Cadwell

Prior to the election the Lester B. Pearson Peace Park, Madoc-Tweed, Ontario wrote to all of the Candidates across Canada of the three main political parties, asking them the question "Are you in favour of changing Boxing Day, December 26th to international Peace and Goodwill Day as a first step in an International Peace Day throughout the whole world?"

75% of the answers were in favour of changing Boxing Day to International Peace and Goodwill Day. 25% were undecided. No answers were received opposing the change, but a candidate in Prince Edward Island suggested that

Remembrance Day, November 11th be changed to Peace and Remembrance Day.

Prior to the dissolution of the previous government, Bill Vankoughnet, the Government Member for Hastings Frontenac (where the Peace Park is located) had introduced a Private Bill changing Boxing Day to International Peace and Goodwill Day and this was being discussed by a House Committee prior to the dissolution of Parliament.

The Peace Park is hopeful that the Bill will be reintroduced by the new government and that eventually there may be an International Peace and Goodwill Day throughout the whole world.

Queensborough News

A number from here attended visitation for the late Hazel Thompson of Belleville, December 3rd and 4th, and her funeral on Monday, Dec. 5th, in McConnell Funeral Chapel, Madoc.

Rev. Ted Collwell of Belleville and Rev. Jeff deJonge officiated. The late Hazel Thompson spent her early years in Queensboro.

Mrs. Francis Cassidy entertained a number of relatives and friends on Saturday, Dec. 3rd, on the occasion of her 91st birthday.

UCW General held their annual meeting on Wednesday, Dec. 7th, in the church, start-

ing with a potluck supper.

Goldie Holmes spent a few days the first week of December with Mrs. Evelyn Rollins, Madoc.

Mr. Ed Canniff attended the funeral of the late Marguerite Chisholm, Monday afternoon, Dec. 5th, at Gilmour in the Pentecostal Church.

Mr. and Mrs. Bill Luukko and family of Mississauga and Mr. and Mrs. Lud Kapusta and family and Mr. Doug Thompson of Toronto spent the weekend with Mrs. John Thompson and Bob, and attended visitation and funeral for their aunt, Hazel Thompson.

Local injured workers pack meeting to oppose Bill 162

The meeting room at the Belleville Recreation Centre was filled to overflowing at an evening meeting of the Quinte and District Injured Workers' Group held on November 30. The meeting had been called to discuss the serious cutbacks proposed by the Ontario Government to injured workers - past and future, a detailed presentation was made by Michele Leering, Executive Director and Staff Lawyer with Hastings and Pince Edward Legal Services. Ms. Leering pointed out that the new lump sum payment to injured workers and the wage loss scheme only applies to workers newly injured after the new reforms are passed. There will be no increases in the pensions or benefits available to current injured workers. The new reforms decrease appeal rights and increase the amount of discretion available

to the Board. 'Most injured workers will be worse off under the new reforms,' said Ms. Leering. Further information is available from Hastings and Pince Edward Legal Services. A special meeting was called by the injured workers' group to start a lobbying effort against the new reforms. The group wants public hearings prior to the passage of the new reforms into law expected early in the new year. A petition is being circulated and injured workers will be contacting their members of parliament to find out their stand on the new reforms.

The group is considering a public demonstration. The special meeting is scheduled for Monday, December 12, 1988 at 7:00 p.m. in the lecture hall at Centennial Secondary School, 170 Palmer Rd., in Belleville.

Minutes from Madoc Twp. council

The regular meeting of Madoc Township Council was held, December 5, 1988 at 12:30 p.m. The following were present: Reeve Harold Harris, Deputy-Reeve Mary Pigden, Councillors Rober Sager, Raeborn Robinson, Duane Foley and Road Superintendent Tom Bruce.

Delegations were: Mr. Ted Foley, Mrs. D. Foley, Mrs. P. Foley, Messrs. Lloyd Moriarty, Wm. Morrison; Mr. Edward Tobin.

Councillor Foley declared a possible conflict of interest with the Fire Department payroll.

The Foley delegation attended to consult with Council on the proposed Road Closing between Lot 10 and Lot 11, Concession 7 of Madoc Township. They expressed some concern as to what might become of the road allowance after closing. They felt it should be turned over to the abutting owners for their use as was generally the case prior

to the road closing anyway. They felt that if the Township were to enter into an agreement with Ducks Unlimited, that only a small portion in the centre of the road allowance should be leased to them to eliminate possible access problems in the future.

Pigden-Sager - that the Clerk check with the municipal solicitor to determine the best course of action for the municipality to close up the road allowance between Lot 10 and Lot 11, Concession 7 whether to lease the property to Ducks Unlimited or to sell it to the abutting owners. Carried.

Pigden-Robinson - that the County of Hastings office be contacted regarding placing of a sign on County Road 12 to indicate the Township road running between Moorcroft's residences in concession 7 and to advise of the location of Cooper. Carried.

Messrs Moriarty and Morrison attended Council to

Cont'd from page 15

advise of private road construction activity behind their homes on the Jarvis Lake Road by Mr. Randy Rowe. They are concerned that this road will decrease their property values and that their may be some sort of development undertaken on the property behind their homes which may decrease the value of their homes. The Road Superintendent advises that he had given

Mr. Rowe an Entrance Permit onto the Township Road for a logging road on the property. Mr. Morrison questioned a logging road being developed for the limited amount of lumbering that could be accomplished on the property and wondered if there was not an ulterior motive for this road.

The Clerk advised of Mr. Rowe's previous discussions with Council and suggested that he contact the County Planning Department for further information.

Sager-Foley - that the Road Superintendent be sent to the Ontario Good Roads Convention in February. Carried.
Foley-Robinson - that works

programs subsidized by Provincial or Federal governments at the rate of 100% and supervised by the municipality may be entered into by the administrative staff without prior approval of Council. Carried.

Pigden-Sager - that when culverts are required for new entrances by private landowners, the culverts must be a minimum of 15' in diameter and 24 feet in length and may be purchased from the municipality and will be installed by the municipality. Carried.

Pigden-Robinson - that the Clerk contact consultants for Pay Equity programs to determine the cost of completing the Pay Equity requirements.

Carried
Sager-Robinson - that Richard Chapman and Gayle Ketcheson, acting as municipal representatives on the Arena Board and the Library Board, each be paid an honorarium of \$260.00 Carried.

Robinson-Foley - to reimburse the members-at-large of the Madoc Township Recreation Centre at the rate of \$25.00 per meeting attended. Carried.

Sager-Foley - that the Township of Madoc advise that Council has no objection to the proposed redesignation of the Official Plan of the County of Hastings as submitted by Mrs. S. Henderson. Carried.

Pigden-Robinson - father to a letter received from Mrs.

Rossett, that the tax penalty levied against the Colonial Inn Motel be reduced by 50%. Carried.

Sager-Pigden - that Council go into By-Laws. Carried.

By-law 718-88 given three readings and passed being a by-law to authorize the Treasurer and Reeve to sign on behalf of the municipality for financial purposes. Council resumed.

Pigden-Robinson - that the Township Office be closed between Christmas and New Years and that notice of such be placed in the local paper. Carried.

The next meeting of Council will be held December 19 at 7:30 p.m.

Celebrating: Members of the Norwood Lake-
way Automotive Atoms congratulate goalie
Luke Campbell after his 4-0 shutout over
Campbellford last Friday evening. Both

Norwood and Campbellford never gave up
providing fine hockey entertainment at the
Brethen Coliseum.

Santa is coming

Photo by William Freeman

Santa's nearly here: This youngster took part in the village of
Keene's Santa Claus parade last Saturday morning. Even though
the weather was frigid a good crowd was on hand to greet the
grand old man and to applaud the various floats that made up the
festive cavalcade.

Science-minded students shine at NDHS

Around 80 grade students in
grades nine through eleven
were involved in the second
annual Norwood High School
Science Fair held last Tuesday
evening at the school.

With a mixture of projects in
general and advanced levels
covering areas of research
ranging from biology to envi-
ronmental sciences, the
students once again displayed

efforts of high quality and
creativity. Judges Don McKen-
zie, Richard Wink, Kerri
Boutillier and Terry Stephens
were extremely impressed by
the work they were called upon
to evaluate.

The results in many of the
categories were very close
organizer Terry Stephens said.
Winners in the grade nine
general category were:

- (1) Matt Kennedy and Jason
Jones - The Heat of Light.
- (2) Terry Redpath and Steve
Montgomery.
- (3) Vanessa Head, Tammy
Shepherd and Peggy Chappell.

Winners in the grade nine
advanced category were:
(1) Andrew Scott and Kevin
Donaldson - The Greenhouse
Effect. Cont'd on page 7-A

Pee Wee hockey

Warkworth nips Norwood

By Bill Freeman

Warkworth's swift-skating
Brett Alexander popped in two
goals as his team had the
upperhand in a 3-1 Hastings
and District Pee Wee league
game against Norwood's
Lynchs' Auto Service squad
Friday night at the Brethen
Coliseum.

The Alexander, Shane Find-
lay, Brian Sherry combination
are pretty hard to contain but
the Norwood side did a good
job of holding them to just
three goals. Top netminding by
Aaron Davey and Steve Ross
and tight forechecking in the
neutral zone kept the home
team in the game. But for a
few bounces both teams would
have taken home points.

The visitors opened up the
scoring at 6:18 of the first
period with a shorthanded goal
by Alexander. His shot
bounced off Davey's pads and
the angle of deflection was just
enough to reach the net. The
goalie couldn't have played it
any other way.

About two minutes later
Warkworth extended their lead

when Sherry, getting some
help from Findlay, flipped a
loose rebound into the
Norwood net.

Norwood opened the second
period scoring quickly with
some shorthanded magic of
their own.

Intense pressure by the
Norwood players kept the puck
in front of the Warkworth net
until Jon Hamilton managed to
send it past the netminder. All
of this just 45 seconds into the
period.

The home team had a couple
of outstanding chances later on
in the period but just couldn't
find the handle on the puck.
The two sides went into the
dressing rooms with Wark-
worth still holding on to a one
goal lead.

Alexander added some brea-
thing room at the 11:49 mark of
the final period when he and
Findlay broke towards the
Norwood net. Findlay held the
puck long enough to make Ross
commit himself then sent a
nice pass across to Alexander
who directed it home.

Grade 11 advanced winners - Sheila MacQuarrie and Jen Hough.

18

This is meant to bring out the fact that some people do not consider the disabled as sexual human beings. I laughed when I first heard this because I thought of three of the sexiest men I have ever met. Their sexuality just floored me, two of them used wheelchairs and the third used a scooter for mobility.

By sexuality, I mean that special "something" that is you from birth.

I suppose the disabled are seen by some to be too taken up with their disability to even think about how their sexuality fits into the scheme of things; that disability is all too involving and doesn't have anything to do with sexuality. The word, sexuality, gets all mixed up with sex...intercourse. No denying it, sex can be beautiful, and it can be fun. The concept for some, seems to be that if you are old or if there is something wrong with you, you aren't supposed to feel sex, or want sex. A disability isn't supposed to be wonderful, or fun, after all, a man or a woman in a wheelchair couldn't be connected to sex. NOT SO!

Look at Rick Hansen! We all know that Rick spends most of his time in a wheelchair. And Ellen Sioh, a young model, who lost the use of her legs in a car accident in 1983. She did not give up a promising career, and at the time she was attend-

ing university in California. As a matter of fact, she's come so far that the 25 year old student, and part time actress, is featured in a photo spread in one of this year's issues of Playboy. Although working from a wheelchair, this woman refused to let a disabling accident spoil her dream. She embodies "true grit".

Ellen is lovely, but the stigma remains that because she is disabled she is somehow also disfunctioning as a female. Her goal in life is to help educate the public about sexuality and disability, using what she has learned as an example.

Think about it: if you break your leg, do you stop thinking of yourself as a functioning male or female? I don't think so. There you are; disabled, you are suddenly in a wheelchair, on crutches or even

More Abled Than Disabled

by Barbara Pealow

Who says we're not sexy

using an artificial limb. You are still the same person inside, only the outside has changed. You are going to be considered a lesser person, now. It isn't fair, but the disabled live with that image all the time.

Feeling good about yourself means a great many things. Our sexuality is something we are born with, and so is the ability to give and to express love, whether we are disabled or not.

CLEAR CONSCIENCE

Here is a gift only you can give yourself at Christmas: and it's free. Yep, a "clear conscience": something that money cannot buy.

It's easy to say, "Let's all have a party and be merry!" That's great, but do it at your home. Don't drive. If you have

families, friends and neighbours who want to party, make arrangements to have them stay overnight, or have a taxi on call to take them home.

Remember Wendy Crawford, the former model, who was left a quadriplegic after a 1984 collision on Hwy. 401, with a drunk driver. Since that tragic day, Wendy has visited more than 200 schools across the province, preaching the dangers of drinking and driving.

What happened to Wendy took mere seconds. Please, think before you drink and drive. Give yourself a clear conscience this season.

MARDI GRAS PUNCH

For those well-wishers who have had a lot of good "cheer" when they drop by, serve this refreshment with a "clear conscience"

6 oz. frozen orange concentrate, thawed.

6 oz. frozen lemonade concentrate, thawed.

1 quart apple juice, chilled
2 quarts gingerale, chilled
rasberry, orange, lime and lemon sherbert.

In a large punch bowl, stir together the concentrates, and apple juice. Stir in gingerale. Scoop sherbert into balls and spoon them into the punch. Or float ice cubes in the bowl. This makes about 14, 1 cup servings.

WASSAIL

6 cups apple cider or juice
1 tsp. grated lemon peel
1 cinnamon stick
1/4 tsp nutmeg
1/4 cup honey
3 tbs lemon juice
18 oz. unsweetened pineapple juice

orange and cinnamon sticks. In a large saucepan, heat the cider and one cinnamon stick to boiling. Reduce heat. Cover. Simmer 5 minutes. Stir in the remaining ingredients except the orange and cinnamon sticks. Simmer 5 more

minutes. Thinly slice the orange into pieces which float on top of the mixture. Use the cinnamon sticks as stirrers. About 16 servings, 1/2 cup each

LEMON STRAWBERRY PUNCH

3, six. oz. cans of frozen lemonade concentrate
1, ten oz. package frozen strawberries
1 quart chilled gingerale
In a large bowl prepare the lemonade as directed on the can. Stir in the strawberries with the syrup. Stir in the gingerale. Add small scoops of strawberry ice cream or ice cubes if you wish. About 28 servings 1/2 cup each.

Once again we are into the time of year where most of us forget many of the little things that have bothered us during the year. It is a time where friendships prevail, when family and friends seem to become more important. Unfortunately, for many this only lasts a short time. Quickly cheerfulness and friendliness give way to the everyday problems that we all encounter. If everyone would pause for a moment, and think of how blessed they are to have the family and friends they do, and how fortunate they are to live in this country of ours, maybe the Christmas Spirit would last a little longer, and we would enjoy it more.

I would like to take this opportunity, on behalf of myself and my family, to wish all of you a Very Merry Christmas, and a Happy New Year!

From Larry and Barbara Pealow

Don't be left out in the cold.

You have until **December 31** to open an Ontario Home Ownership Savings Plan (OHOSP) and still qualify for a 1988 OHOSP tax credit.

If you are saving to buy your first home and your income is low or moderate, you can earn interest on your savings and be eligible for an OHOSP tax credit...up to \$500 per person and \$1,000 per couple. Act now before it's too late.

Your nearest financial institution can provide you with an application

form and further details about the program. Or, you can call the Ontario Ministry of Revenue toll-free for more information:

Norwood Bantams

The Oakland Green Bantam B's had a home-and-home series last week.

On Sunday, December 4, Hastings defeated the local squad 3-1. Scoring for Norwood was Darrell Miles assisted by Rick Murray and Jason Jones. Goalies Dion Eskerod and Greg English turned aside 27 of 30 shots.

On Wednesday, December 7 in Hastings Norwood was shut-out 3-0 in a very rough game. Excellent goaltending by Dion and Greg kept the game close as they stopped 39 of 40 shots.

On Saturday, December 10, the Oakland Greens competed in the St. Matthew's Tourney in Warsaw. In the first game, Norwood played St. Alphonsus. The local squad came away with a 5-2 victory. Scoring for

Norwood were Mike Owens, Chris Chaplin, Danny Ireland, Darrell Miles and Jason Jones.

Game two pitted Norwood against Lakefield. Both teams were very even but two quick goals early in the third period enabled Norwood to win 4-2. Scoring for Norwood were Jason Jones, Corey Hamilton, Darrell Miles and Mike Owens.

In the championship final, Norwood ran out of gas as they were defeated by Knox, 6-3. Scoring for Norwood were Darrell Miles, Jason Jones and Mike Owen.

On December 11, Norwood hosted Stirling. The Stirling goalie turned back 28 of 31 shots as the visitors won 5-3. Scoring for Norwood were Darrell Miles, Corey Hamilton and Jason Jones.

The Fox Den in Warkworth

by June Maureen Marshall

Beverley and Dave Naulls have lived in an old red brick house on Mill Street in the Village of Warkworth for the past thirteen months. It has been fondly named The Fox Den and it is there that they house and care for a small group of teenage boys. At present they have with them Mike and Dan, who are 15 years of age, and Pat, who is 18. They are looking forward to the arrival of another boy in a short time.

The Naulls are responsible for the care and guidance of young people assigned to them. "The Connor Group Homes company is like a mother to us," explained Beverley. "Careful preparation and consideration is given before a pre-placement visit is made by a case worker accompanying a prospective resident. If all is found to be suitable, a trial period of two weeks follows."

"As this is a group home," said Dave, "a little extra care has to be taken by the youths. They have to be made to realize that they are seen differently, and they have to prove themselves by their actions."

At the present time, the boys attend Campbellford High School, and also take part in extra-curricular activities such as Cadets. Pat is busy preparing for a position as Scout Leader Assistant, and he also takes weekly swimming lessons. The boys belong to a youth group at the Free Methodist Church in Warkworth. "We are so fortunate to have Randy Moore, Pastor of the Church," said Dave.

The Naulls have created a warm and comfortable home. At the same time, discipline is a priority. Organization is clearly visible by a large bulletin board covered with important notations. There is no line-up for the bathroom in this house...a shower schedule is carefully pre-planned.

The bright and spacious kitchen and dining room area provides two large tables that can be used for activities as well as for dining. The computer plays an important part in the home," said Dave. "I am just learning it," said Beverley.

The boys are expected to keep everything neat and tidy. "They have their own chores and help with the beds and the vacuuming," said Dave. "They are pretty good in the kitchen too," said Beverley. "I took a course in cake decorating, and they like to be in on the icing part of it all." In the recent Perfect Pie contest, Mike entered an apple pie, and Pat a lime pie.

"Usually, a total of four residents at a time are in the house," Dave explained. "They can remain as long as there is a genuine need for care. Twenty-one is probably the magical age for leaving. Contact is maintained with parents or relatives as much as possible."

Dave and Beverley have their own family. Derek and Darrell are twins, seven years of age, and Duane, the eldest son is eleven. All three boys were given in-home tutoring by Beverley. They presently attend Percy Centennial Public School.

Beverley has always had a genuine interest in working with others. She was involved with a Sunday school class of mentally retarded adults in Portboro, which she thoroughly enjoyed teaching.

Dave speaks proudly of his father, who was a millwright and aircraft engineer in the Toronto area. Dave moved to Consecon and eventually Madoc, where he lived for seven years.

"I also worked at Onesimus, a half-way house in Belleville, for three years, which was a home for men 18 years and over," said Dave. He has worked part time in other group homes on a one-to-one basis.

This capable pair are both well equipped for the job they

have to handle. What's more important, they both enjoy their work. Of course, stress is felt at times. "It is always a great feeling when a good report is given on a youngster who has shown improvement," said Dave, "especially if I have been trying exceptionally hard to achieve that improvement."

It is a seven day week, 24 hour a day job for the Naulls. A relief staff come in to give them a two week vacation every year, plus one weekend

every month.

Whenever they have the opportunity, it's off to the nearest waterway, summer or winter. Both are licenced SCUBA divers with the Flying Frogmen Club. Dave has been diving for eleven years, Beverley has had her licence for one year. Both are fond of the outdoors; they enjoy swimming and camping. Dave is a motorcycle mechanic.

"He is really a jack-of-all-trades," said Beverley. "He is an excellent photographer."

Family pets complete the picture of this happy, Cosby-like home. Max, the young black pup, is on his best behaviour when his master speaks. Ore, the beautifully marked black and white cat, touches the nose of his canine friend in a gesture of friendliness.

Dave and Beverley Naull are to be commended for their sincere efforts in maintaining such an efficient, happy environment for those who need to be in a family home, striving to take part in community living.

HOME SELLING TIP BROUGHT TO YOU BY JACK CONNOR

DISPOSE OF USELESS ODDS AND ENDS...

Before moving to another house, dispose of all the odds and ends that tend to accumulate over the years. Why add to the expense, clutter and chaos by transporting useless items to your clean new home? Instead, have a little fun and make a few dollars by holding a garage or lawn sale. If you have young children, they can price the goods and set up displays for a cut of the take. It'll help keep their minds off the negative aspects of moving, such as leaving old friends. It'll also give you an opportunity to say goodbye to neighbours, and perhaps pick up some leads on potential buyers for the house you'll be vacating.

"Depend on a Real Estate Professional."

November Council Minutes - Village of Marmora

1. Declaration of Conflict of Interest

(i) Note: Deputy Reeve Philpot declared a conflict of interest with respect to any items dealing with Drummond Subdivision and he declared a conflict of interest with respect to these matters as he has acted as a solicitor for Mr. Drummond in the past and he returned the materials with respect to the Drummond Subdivision and did not take part in the discussion nor did he vote on these matters.

Business Arising Out of the Minutes

(i) Christmas Decorations: Councillor Inglis noted that the Christmas wreaths have been ordered and they are expected the first week of November.

Mr. Leo O'Connor and students from the Separate School entered the meeting at this point. Reeve Reynolds welcomed Mr. O'Connor and students to the meeting.

(ii) Arena Study: Councillor Inglis enquired as to the status of the Arena Study and commented that it looked like the Township wasn't going to contribute funds to the study.

The clerk advised that she had not received any word from the consultants, but that the second more detailed study had been authorized and the results are expected towards the end of November.

(iii) Works Department Crew

Councillor Inglis advised that Mr. Tom McQuaig has started work with the works department crew as of November 1, 1988, and he is on a three

month probationary period with the works department.

Reports of Committees and Officers

(i) Fire Department report for the month of October - Chief Cec Neal

Chief Neal reported that there were two calls during the month of October, one of which was at the municipal garage where there was a small gas spill, and the second was a chimney fire at Mr. Smith's house on Roscoe Avenue.

Chief Neal also requested that the Village of Marmora pay its share of the Mutual Aid dinner for the firemen.

Resolution Number 88-455
Moved by Deputy Reeve Philpot, seconded by Councillor Inglis: that the treasurer is hereby authorized and directed to pay for the Village share of the Mutual Aid dinner at a cost of \$487.95: carried.

Hallowe'en Patrol

Resolution Number 88-456
Moved by Deputy Reeve Philpot, seconded by Councillor Inglis: that the treasurer is hereby authorized and directed to pay the sum of \$200: carried.

The fire chief also requested that the council give consideration to rounding the hourly rate to \$7.84 per hour instead of the 5% previously agreed to ease his calculations of an hourly rate.

Resolution Number 88-457
Moved by Deputy Reeve Philpot, seconded by Councillor Inglis: that the hourly rate for the firemen be rounded to \$7.84 per hour: carried.

Chief Neal asked council if it would consider lowering the

rental rate for the hall on Thursday, Nov. 10, 1988, for Mr. Bill Vankoughnet's rally.

Resolution Number 88-458
Moved by Councillor Inglis, seconded by Councillor Grant: that the rental of the hall be reduced to \$25 for all political parties, and that they be advised of the reduced rental rate: carried.

BY-LAWS

By-Law 88-21

The clerk advised that the property has been posted and has been advertised for the required 4 weeks in the Community Press and the Marmora Herald.

(i) By-Law Number 88-21: Moved by Deputy Reeve Philpot, seconded by Councillor Inglis: that by-law number 88-21, being a by-law to close and stop up part of the allowance for Pearce Street now designated as parts 1 and 2 on reference plan 21-R-11538 part of Pearce Street, Block Q, registered plan No. 307 Village of Marmora, County of Hastings, be read a third time and finally passed this 7th day of November 1988. The reeve and clerk are hereby authorized and directed to sign name and affix the corporate seal thereto: carried.

Resolution Number 88-460
Moved by Deputy Reeve Philpot, seconded by Councillor Grant, that the clerk provide the information with respect to the survey and the appraisal to Mr. and Mrs. Parsons and Mrs. Golden, and request that they submit an offer to council: carried.

Council also directed the clerk to contact Ontario Hydro with respect to the hydro line crossing the property and ascertain whether or not it can be moved.

Mr. Parsons who was in attendance at the meeting advised that the hydro line is a high tension line and that in his opinion, it precludes the use of the lot for a building lot. It was pointed out to Mr. Parsons that the portion of 33 feet abutting his property does not constitute a building lot and it would be merely a lot addition.

By-law Number 88-22

*NOTE: Deputy Reeve Philpot declared a conflict of interest with respect to this item as he has acted as a solicitor for Mr. Drummond previously and he left the table and did not take part in the discussion, nor did he vote on this matter.

Moved by Councillor Inglis, seconded by Councillor Grant: that by-law number 88-22 being a by-law to authorize the Corporation of the Village of Marmora to enter into a subdivision agreement between the Corporation of the Village of Marmora and Robert Gordon Drummond and the Marmora Hydro Commission be read first, second and a third time and finally passed this 7th day of November, A.D., 1988. The Reeve and Clerk are hereby authorized and directed to sign same and affix the Corporate Seal thereto: carried.

REPORTS OF COMMITTEES AND OFFICERS

(iii) Superintendent of Works - G. Brownson

Mr. Brownson advised that the catch basins have been cleaned out - approximately 70 have been cleaned by power machine at a cost of \$60 per hour: that a bad water leak on Madoc Street in front of Mr. Herman's house has been repaired: that the waterline has been installed at the Municipal Garage: that the waterline at the ball park is

slated for repair: that the new street signs have been installed at the intersection of Highways 7 and 14: that a keep right sign has been installed at the intersection of Algonquin Street and No. 7: that the canteen at the ball park and the train station have both been winterized: that the sanders have been placed on the trucks and tractors ready for snowplowing and that sand is being purchased from the County again for 1988/89 season.

Mr. Brownson enquired as to council's intent with respect to snow removal from the streets for the 1988/89 season. He recommended that Mr. Ken Derry be retained for another year and advised council that both Mr. Raymond Dayton and Mr. Harry Warren have agreed to work as flagmen for Mr. Derry as arranged last year.

It was the consensus of council that the municipality stay with Mr. Derry at the present time and that the matter be deferred to the next regular meeting of council.

Mr. Brownson advised council that the municipal garage needs storm windows and that they have installed plastic storms again this year, and recommended that council give some consideration to installing new storms in next year's budget.

Mr. Brownson advised that the men are supposed to be wearing safety equipment when doing garbage and that he has purchased liners for the hard hats, as well as safety glasses for the workers on the garbage truck.

Mr. Brownson reported that the new man has only been working with the works crew for one week, but so far has been working out fairly well.

Deputy Reeve Philpot enquired whether or not the heritage sign has been moved. Mr. Brownson indicated that the sign has not been moved as yet and Deputy Reeve Philpot suggested that it be moved to the new seniors building area on Madoc Street so that the sign points to the site. He also enquired whether or not the sign at the Waste Disposal Site has been removed, and Mr. Brownson advised that it has been.

Mr. Brownson reported that he had contacted Mr. Randy Maxwell with respect to the tree on Burdhal Street in front of Mr. Roy Frost's house, and that he was to let him know as to cost and his availability to do the work.

Councillor Grant enquired as to the status of the waterline along Madoc Street and the clerk advised that information for council was included in the agenda, and that the application has been sent to the Ministry of the Environment.

Councillor Inglis advised that there have been 18 applications received for the housing project.

Deputy Reeve Philpot enquired as to the status of the clock tower, and was advised that it would cost approximately \$7800 to have a clock installed.

Resolution Number 88-464

Moved by Deputy Reeve Philpot, seconded by Councillor Grant: that council recommend that the matter be placed to the first meeting of the new council; and further that the clerk obtain a quote from the architect as to the cost of the tower and the clock; and further that it be recommended to the new council that

the clock tower be approved: carried.

(c) Water, Sewage, Waste Disposal and Property - Councillor Inglis re: Proctor and Redfern Sewer Study - Correspondence No. 88-501

It was recommended that the Sewer Study report be referred to the next council and that a copy of the report be circulated to the Ministry.

Councillor Inglis advised that the painting of the Memorial Building has been discontinued due to weather conditions. He advised that the wreaths have been ordered to put on the lights and the clerk is still dealing with LiteForm with respect to the delivery of the light for the front of the Town Hall.

Councillor Inglis advised that posts have been placed along the County Road at Main and McGill streets, however he recommended that the County be contacted to see if anything more can be installed to prevent access through between the posts to the riverfront property.

Resolution Number 88-467
Moved by Councillor Inglis, seconded by Deputy Reeve Philpot: that the clerk contact the County of Hastings and recommend that they install a cable through the posts to prevent access to the parkland: carried.

Councillor Inglis noted that time is running out with the landfill site and that a study must be done. It was recommended that the matter be deferred to the December meeting of council.

It was the consensus of council that the clerk contact the Ministry of the Environment and request Terms of Reference for the next council meeting.

Resolution Number 88-468
Moved by Councillor Inglis, seconded by Councillor Grant: that the foregoing minutes of committees and officers not previously dealt with be and the same are hereby approved: carried.

ACCOUNTS

Resolution Number 88-469
Moved by Councillor Grant, seconded by Councillor Inglis: the accounts numbered 1 to 86 in the amount of \$176,512.45 included on the payroll dated November 7, 1988, are hereby authorized for payment and the treasurer is hereby authorized and directed to pay same: carried.

OTHER MATTERS

Reeve Reynolds advised that he has received a call from Councillor Gerald Fox from the Township of Marmora and Lake with respect to fill being put onto Mr. Maurers property, which is located in the Township, just outside the Village limits. He advised that Mr. Pat O'Connor apparently contends that there is a chance a channel is being filled in and he feels that can cause the water to back up and affect the water table.

Resolution Number 88-470

Moved by Deputy Reeve Philpot seconded by Councillor Inglis: that the Reeve thank Mr. Fox for his information and that it be suggested that he contact the owner of the property directly, and that if he has some complaint with either council or the Housing Commission that he write directly to council and specify the nature of his complaint: carried.

November Council Minutes - Village of Marmora

Cont'd from page 6-A

Correspondence:
Deputy Reeve Philpot declared a conflict of interest with regard to this item as he has acted as a solicitor for Mr. Drummond in the past and did not take part in the discussion nor did he vote.

Templeman Brady Menninga Kort & Fairbrother (Re: Account - Subdivision Agreement): It was moved by Councillor Inglis and seconded by Councillor Grant. That the account in the amount of \$162.50 submitted by Templeman, Brady Menninga Kort

Sullivan and Fairbrother for the Drummond Subdivision Agreement is hereby approved for payment and the treasurer is hereby authorized and directed to pay same.

Centre for Government Education & Training, re: a seminar for newly-elected councillors and any other councillor who would like to examine their roles and responsibilities Saturday, Dec. 3, 1988 - Kingston.

Council Action - That the correspondence item be circulated to the successful candidates with the recommendation that they attend if possible.

A motion was made by Councillor Inglis, seconded by Councillor Grant. That the Superintendent of Works be authorized to attend the Ontario Good Roads Association meeting to be held Sunday, Feb. 19, to Wednesday, Feb. 22, 1989, inclusive should he wish to attend.

A letter was received from Canada Post Corporation re: existing postal operation in Marmora. Council decided to send a copy of this correspondence to the Post Master Mr. Bob Moore.

A letter was received from the Ministry of Government Services re: Ministry of the Environment transfer of Municipal Water Works department. It was moved by Deputy Reeve Philpot, seconded by Councillor Grant. That the clerk contact the Ministry of Government Services and request that a representative attend the next meeting of council to explain all the ramifications of acceptance of the transfer of the municipal waterworks to the village.

Correspondence from Templeman Brady Menninga Kort & Fairbrother re: Village of Marmora and Smith. A resolution was carried that the lawyer be advised that Council wishes them to proceed with the tax registration and advise them to notify the individuals they consider appropriate.

Proctor & Redfern Limited, re: engineering services in connection with Arena and Community Centre Study. Moved by Deputy Reeve Philpot, seconded by councillor Inglis. That the account submitted by Proctor & Redfern Limited for engineering services rendered in connection with the arena and community centre study in the amount of \$3,821.38 is hereby approved for payment and the

treasurer is hereby authorized and directed to pay same.

The clerk-treasurer and the superintendent of works were authorized to attend the Personal Liability of Elected and Appointed Officials Seminar to be held at Toronto Airport, Marriott Hotel, Wednesday, Dec. 7, 1988, as well as any members of council wishing to attend.

Council approved and authorized the treasurer to pay the invoice submitted by the County of Hastings for winter sand 1987/88 in the amount of \$2,210.

Corporation of the Village of Deloro, re: long distance telephone calling - Moved by Councillor Grant, seconded by Councillor Inglis. That the council of the Village of Marmora indicate its support of the position held by the Village of Deloro

with respect to Bell Canada long distance calling area; and further that the MP be advised of council's position with respect to this matter.

Council approved that the account submitted by Tottem Sims Hubicki Associates for consulting services for the Highway 7 connecting link project in the amount of \$155.77 is hereby approved for payment and the treasurer is hereby authorized and directed to pay same.

Harris Pump Sales & Service, re: request of information. Council moved that Mr. Harris be advised that the Ministry of Environment is no longer allowing any dumping at the manholes; and further as the Ministry has strongly recommended against dumping at the treatment plant and because of the effect on the

Did you know...

Although not a lot of snow has fallen yet this season, it is important to be aware of what has been happening as a result of certain types of snowfall in Canada. Many people know of the dangers of acid rain, but they may not think about what happens when that rain freezes and falls as acid snow.

Acid snow, when it piles up over the course of a winter, presents one of the greatest dangers to the health of our water bodies and their inhabitants. When the snow melts in the spring, it creates what is known as an "acid shock". It is the equivalent of dumping thousands of litres of acid rain into the water system all at once, and the acidity of the water may increase as much as tenfold during this period.

Various types of marine life, including fish, lay their eggs in these pools of acidic spring run-off water, and as a result the offspring are born with gross deformities, if they are born at all. In this way, acid snow destroys entire communities of marine life before they are even alive, and deprives our rivers and lakes of life.

Today, 14,000 lakes have already been acidified, and another 300,000 are at risk. Swift action must be taken to save these remaining lakes.

The S.E.E. Now! (Students for Environmental Education Now!) group at Campbellford District High School is organizing a petition to send our message of concern to Ottawa.

Because the majority of Ontario's acid rain comes from the United States, and because that country has consistently failed to act on this problem, we wish to ensure that it is among the first issues on the agenda when George Bush is inaugurated as president, next month, and meets with Prime Minister Brian Mulroney.

Canadians, we feel, should not stand by and let the U.S. ignore this crucial issue while our lakes and fish are being destroyed. If you, the members of this community feel this way too, please indicate your feelings by signing one of our petitions (posted in various stores and businesses in the Campbellford, Hastings and Warkworth areas or at the High School Main Office).

You Can make a difference in the fight to stop acid rain and acid snow, and by acting today, you can help to ensure a cleaner, healthier Canada for tomorrow.

[Cont'd from page 1-A]

Afterthoughts

Norwood skated well against a team that has some exceptional skaters. They were in this game all the way even though they were missing a few players. With a full complement the result might have been different... There were some good, clean and solid hits laid on by both teams but all players had just one thing in mind - play three periods of entertaining hockey. We think they did just that. Norwood visits Ennismore December 13 for an 8:30 pm game and is back at home against Douro December 16.

November Council Minutes

Cont'd from page 8-A
plant, the council will not be allowing dumping at the plant either.

Totten Sims Hibick Associates, re: pavement removal and resurfacing, Matthew St. Council moved that the invoice submitted for certificate no. 2 in the amount of \$7,414.82 be approved for payment and the treasurer was authorized and directed to pay same.

Marku Systems Incorporated, re: invoice. Council moved that the invoice for

service contract for 1988/89 in the amount of \$216 be approved for payment and the treasurer authorized and directed to pay same.

Tender Notice, re: Watermain extension on Madoc St. Council moved that the clerk treasurer be authorized to invite tenders for the construction of the Madoc Street waterline extension once the Ministry of the Environment approvals have been received and that invitations be sent to

the five individual firms suggested by Mr. Robert McEwen, consulting engineer.

Council received six tenders for the supply of fuel oil for the 1988/89 season and accepted the low tender submitted by Mr. Don Woods at the rate of 18.6 cents per litre.

Council made a motion to approve the 1988 Christmas invitation list as amended.

Reeve Reynolds thanked the council for their co-operation during the past year.

The Rural Scene

by

Ken Yarrow

A happy time of year when families get together, animosity is put aside. Certainly one could be sarcastic and say, why just at xmas? My answer is, we are human.

Being human, we never have and never will agree on all issues. The real problem is when people are deeply hurt. Once this takes place, then reprisal sets in and who knows what the final outcome will be.

Aside from these lasting and on-going quarrels, xmas certainly does a lot to alleviate the minor ones. People meet or get together and find the problem was not near so big as it

had been made out. A feeling of general goodwill exists and it is the best medicine in the world.

Unfortunately, for some, it is a lonely time, a time of memories and wishfulness. May God help them to gain some measure of cheer from the season. Possibly some of them need only to get into the middle of things and they will find alternatives to dwelling on the past. Many tend to think they are intruding and, those who would welcome them, think the person does not want to see them.

Unaggressive and open

discussion does wonders to eliminate misunderstandings. Even in the case of serious dislikes, is it fair to spoil something for all other members of the family? Certainly it is possible to mingle and avoid those subjects that have created the problem. Who knows? by avoiding these areas, new areas of mutual interest may be opened up.

Xmas is a time of giving. What does giving mean to you? In these times of lowering buying power, consideration must be given to price, of course. Do you spend what you have all on your favorites? I can recall many gifts I have received that in dollar value, they were almost negligible. But I knew the person giving it, had put a lot of effort into making or finding it.

Within their spending range, they had showed the concern to find the item that I would use and enjoy. Many persons of this temperament will use judgment in their spending and, rather than spend large amounts on a few, will put much care and thought into many small gifts. Remember, a small gift given with love can reap larger benefits than an extravaganza with hope of reward.

A bit of rambling, but I get that way at Xmas. A sense of remorse for the things I have not done, and a hope that maybe next year I will do better.

A closing thought: although Christ taught obedience to God's laws, He dwelt equally as much on compassion, understanding and equality among men. We cannot reach, in the near future, anywhere near His level, but we could try a little harder. Fair dealing and mutual respect would go a long way.

Canada Post Corporation

Our promise to Rural Canadians – signed, sealed and delivered

A recent independent study shows that 97% of our customers surveyed in rural areas, where retail postal services are now provided by local businesses, are fully satisfied with their postal services. Just as we promised.

Moreover, 92% are satisfied with their mail delivery, while 91% believe delivery to be as convenient or more convenient than before.

The message comes across loud and clear: an overwhelming majority of Rural Canadians surveyed believe that the post office is moving in the right direction. Furthermore, they consider that enlisting the help of local businesses helps to provide better services.

Our next step: Free lockbox service

Beginning January 3, 1989, customers who depend on lockboxes as their primary means of delivery will no longer have to pay a lockbox service fee. Charges will cease to apply for these customers when their lockboxes come up for renewal.

As part of our ongoing commitment to provide better services to you we will be mailing full details to you in the near future.

Canada Post is in rural Canada to stay
That's a promise

Township,

CARD OF THANKS

I WOULD like to thank my family, friends and neighbors very, very, much for the thoughtfulness shown during my great loss. No words can express your kindness. A big special thank you to Brian Caruthers for the lovely article you wrote up about Lorne. Thanks, Dedee Erick and Andrew McKee.

The Logan family wish to express their sincere appreciation to all relatives, friends and neighbors for the floral tributes, mass cards and donations to the Cancer Society and the Heart & Lung Association, in the recent loss of our beloved mother and grandmother. Special thanks to Centre Hastings Nursing Home, staff of Belleville General Hospital and Father Grant and the CWL of Sacred Heart Church in Marmora. Thanks also to the T.A. Cassidy Funeral Home for their kindness and consideration.

We wish to extend our sincere gratitude and thanks to all those good people who have been so kind to us during Lorne's long stay in hospital. To those who came to see him, to those who brought him food, to those who brought him flowers, to those who brought him love. We will never forget the love and support that you all gave him. Thank you so much for your love and support. We will never forget the love and support that you all gave him.

I would like to thank every one who remembered me with cards, flowers, gifts & visits while I was in hospital. I was a patient in Civil Hospital and would like to thank you all for the love and support that you all gave me. I will never forget the love and support that you all gave me.

I, Gail, would like to voice my gratitude for the thoughtfulness expressed by so many people in the Havelock, Trent River and Norwood areas during Harold's illness. He valued all of this highly after the death of my beloved husband on December 2nd. I have been delighted by sympathy cards, telephone calls, visits, flowers & memorials. Due to my limited vision I find it impossible to acknowledge all of this. Therefore, please accept my sincere thanks. Special thanks to Don George the Royal Canadian Mounted Police, and St. Joseph's Hospital.

THANKS to St. Jude for favours received. C.C.

MEMORIALS

ALEXANDER - In memory of a dear wife, mother and grandmother, Iris Marguerite, who passed away December 8, 1982. God took her home, it was 'His will'. But in our hearts, we love her still. Her memory is as dear today. As in the hour she passed away.
Lovingly remembered by Art, family and grandchildren.

LOWERY - In loving memory of a dear brother and uncle, Harold, who passed away December 9, 1981. Wishing today as we wished before. God could have spared you many years more. With silent thought and deep regret. Loving memories we will never forget. Sadly missed by Harry, Judy and Lynne.

LOWERY - In loving memory of a dear brother, uncle and great-uncle, Harold, who passed away December 9, 1981. The world may change from year to year. And friends from day to day. But never will the ones we loved. From memory pass away. Sadly missed by sister Ann, brother-in-law Ron, and family.

SMITH - In loving memory of a dear wife and mother, Vera, who passed away December 15, 1982. Past her suffering, past her pain. Cease to weep for tears are vain. She who suffered is at rest. Gone to Heaven with the blessed. Always remembered, Wesley and family.

After 42 years of service, Mel's retiring

by Janice Pinke

Retiring officially November 21st from the Madoc Village Volunteer Fire Department after 42 years of service, Mel Bronson is looking forward to having nothing to do.

ment complex", Mel says.

Mel also carries proudly the distinction of bearing two 40 year service medals, an honour only presented to a small group of others across Canada.

At the Village firehall Saturday evening, the rest of the team, all of whom volunteer their efforts to the department, gathered to bid a fellow firefighter a fond farewell.

Mel's 42 years on the department have hardly been uneventful. Mel recalls 'the big fire' which claimed a large portion of the northwest industrial block on Durham Street. "It was a three storey apart-

Presenters of both medals 2 years ago included the Governor General's office of Canada and the Fire Marshall's office of Ontario.

Mel means retirement business, though boy. He recently resigned from his duties at the Legion and now our fire department.

Mel says he's looking forward to courting his lady and taking it easy. Happy retirement Mel!

A crowd of well-wishers gathered last Saturday evening to say goodbye to Mel Bronson, who is retiring from the Village's Fire Department after 42 years of service.

Above, Mel is presented a silver-plated fireman's helmet presented to him by Fire Chief Roger Snider (l) on behalf of

the whole department. Reeve Tom Deline and Mary Pigden attended representing the Village council. Tom presented Mel with a plaque which honoured Mel for his untiring support and two service pins.

Mel's reason for leaving the department, he explained,

came to him after the last fire at the Conley residence in Madoc Village. Mel said that if it had been this cold, as in recent days, he would not have been able to perform his duties as a firefighter.

The Review staff wishes Mel a long and healthy retirement.

NOTICE

in order to allow our staff to have their holidays we will not be publishing a newspaper on Wednesday December 28th, next week.

Father & son team first on Moira Lake

by Janice Pinke

Doug Ure (holding the fish) and his father Len Ure, were the first ones to erect a fish hut on Moira Lake this year.

Doug and Len Ure say the ice is about 6 inches thick where their fish hut is situated on Moira Lake.

Their hut, located off the shores of the Moira Lake Cottages, was the first one on the lake this season. The two men put their hut on the lake Tuesday morning. The second hut on the lake, according to Doug and Len, was placed there Tuesday evening.

The fishings good

The father and son team say the fishing is excellent. When the Review caught up with the two men at their hut Wednesday morning, they had just hooked 2 pike.

Doug Ure warned the Review however, that the ice is not thick enough to hold an automobile yet.

Letter to the Editor

Dear Editor:

1988 will be known as the year of peace.

The most important factor in this the signing of the agreement between the United States and Russia on the elimination of the medium range missiles in Europe as decided by President Reagan and General Secretary Gorbachev.

This agreement also facilitated the ceasefire in Angola and the eventual withdrawal of Cuban troops. The same agreement made possible withdrawal of Russian troops from Afghanistan which is supposed to be completed by February 1989. In the same year a ceasefire was arranged by the United Nations between Iran and Iraq. The intermediate range missiles consensus required compromise on both sides and would not have been possible without the decision of Gorbachev and Reagan.

This proves that persons of good will can make Agreements for the benefit of mankind despite their differences in ideology.

Whether glasnost and perestroika can eventually transform the Russian dictatorship and thus provide more humane treatment for its people and greater freedom in the name of economic efficiency and possible democratic elections remains to be seen, but in any case a beginning has been made and 1988 will be known as the year of peace.

Tweed, Ontario

Owen sworn in

Owen Ketcheson was sworn in as the new Reeve of Huntingdon Township last Tuesday morning, replacing the retiring Glenn Franks who had been Reeve of the Township for the last 8 years. Joining Owen on council this term are Deputy Reeve Ted Pollock, councillors, Vernon Cooney, Walton Reid and Bill Rollins.

Here We Come A-Caroling!

All last week & this, the student's at Madoc's public school have been gathering in the school's gym in honour of

the Christmas season. Singing their favourite Christmas tunes while being accompanied by music teacher, Mrs.

Faulkner. Deck the halls with boughs of holly...Fa la la la la, la la la la.

Merry Christmas

Fran London, a familiar face around Madoc Village and a teacher at Madoc's Adult Day School, dishes out the school's Christmas luncheon held last Thursday upstairs at the Legion, Branch 363.

Those attending the luncheon included Santa Claus, played by Phoebe Deline, the school's students and their families, friends and supporters.

Council holds last meeting for 1988

What we can
expect?

by Janice Pinke
Madoc Village council held their regular council meeting last Tuesday afternoon (Dec. 13th). Usually, the council meets on the last Tuesday of each month but because of the Christmas holidays, this month's meeting was moved forward. The last regular meeting of council for 1988 revealed for 1989.

-a 6 per cent discount feature on tax billings to continue. In other words, call our local Village office and find out what it is if you don't already know. Madoc is one of the only Villages in this area to offer the discount. Dial 473-4123.

-a swimming pool. Council selected a committee last Wednesday evening to pursue the venture which will result in the installation of a 75 x 40 foot inground outdoor pool for Madoc Village, Madoc Township and Huntingdon Township residents to use.

-a sidewalk construction program for 1989. The minutes of the last meeting for '88 instructs the Village Foreman to supply a 1988 per foot cost in order to budget for 1989 works.

-a better regulated enforcement of the Village's by-laws.

-an economic development committee. To be selected in early 1989; this committee will, according to Reeve Deline, report on zoning and site specifics for industrial lands.

HAVE A SAFE & HAPPY
NEW YEAR!

Pooling resources for pool committee

by Janice Pinke
Calling themselves the 'pool committee', they have decided to go ahead and pursue the ins and outs associated with the Village acquiring an inground pool, to be open to Village residents and residents in our two neighbouring townships Madoc and Huntingdon. The committee is made up of councillors Mary Pigden and Crichton Harrop, Reeve Tom Deline, and from the communities Bob Bateman or his

representative, Rob Bonner, Charles Gordon, Aileen Pigden and Paul Miller. What the Village can afford initially was decided during the committee's establishment at a meeting at the Village offices last Wednesday evening. They are, that the pool's size be 75' by 40' and that it will be an outdoor facility. It's location will be decided when the committee, Village council and the council's from the two townships meet January 24th.

1989, to discuss the swimming pool issue.

Reeve Deline welcomes any input from other's not seated on the committee and invites you attend any of the scheduled meetings concerning the establishment of the pool. Government grants and red tape foresee the completion of the pool in the 1990's therefore, the committee is looking at the possibility of the municipality supplying the pool's total fund-

THE CHRISTMAS MOUSE

by Jason Curlette
Grade 3
Madoc Public School

There was a mouse who was jealous on Christmas Eve. He always peeked out his mouse hole. When the time came he said to his mom and dad, "I am going to get a Christmas tree. I want to get some cheese and some toys to play with." "I want lots," he said to his mother.

She said, "Don't get too greedy or Santa won't come."

When he was done talking to his mom and dad, he made up his Christmas list. He added cheese, crackers and some toys. He decided to hang ornaments up in the living room and the dining room. Then it was getting late, so he went to bed.

The next night was Christmas. The mouse had to go to bed early, about 8:30 and the night came quickly. In the morning the mouse was surprised at all the presents he saw beside the tree. Then came time to wake his mom and dad up. That is all the adventures the mouse had.

Dear Santa

DEAR SANTA,

I would like a Crawl'n' Baby and I would like drum sticks that you play in the air. You don't have to get me all that and you don't have to get me anything. If you like, you can get my sister something but you don't have to get me something. We are going to put a pretty tree up. We are going to leave lots of cookies and milk.

Your best friend,
Melissa DeClair
Grade 3
Madoc Township School

DEAR SANTA,

I wish you would get me a bike for Christmas so I could go to my friend's house faster. I would like some ghost busters too. I would play all day. I wish you would get me a puppy too. We would go to my friends. I would like a ghetto blaster too.

Love,
Jason Casey
Grade 3
Madoc Township School

DEAR SANTA,

Thank you for all the gifts you gave me for Christmas. I am going to leave you cookies and a glass of milk and carrots for the reindeer. I hope I get a hockey net. Did you like the cookies and milk and carrots for the reindeer that I left last year?

Your friend,
Adam Hagerman
Grade 3
Madoc Township School

DEAR SANTA,

I hope you will get me a turbo hopper. Please get me it because I want a set of them. I already have one. If you can't get it, it's okay. You can get me something else. Thanks.

Love,
Jonathon Beer
Grade 3
Madoc Township School

DEAR SANTA,

I would like boots with skis. I would like a GT, play car wash, and a play co-op, and a couple of cars. I love you Santa.

Your friend,
Richard Masters
Grade 3
Madoc Township School

DEAR SANTA,

I wish I could have a telescope so I could see the moon. All my friends could see the moon too. I would like a new bike. I love you Santa and have a Merry Christmas.

Your friend,
Corey McNally
Grade 3
Madoc Township School

DEAR SANTA,

This Christmas I would like a barbie, a white teddy bear, Smooshies, new pants, shorts, sweaters, a real horse, books and Cabbage Patch kid. I really want other kids to have presents too. So I won't ask for more than I deserve. How many more days are until Christmas? Please write back to me. I can't wait until Christmas. Can you? Would you like me to leave you a few cookies and milk?

Your friend,
Amanda Scalf
Grade 3
Madoc Township School

DEAR SANTA CLAUS,

I have been very good to my sister, brother and friends. I will only want one thing for Christmas and that is Li'l Miss Makeup. Li'l Miss Makeup is a doll who wears nailpolish lipstick, eye shadow and earrings. She is very very pretty. Another thing she can do is change her dress.

Your friend,
Trisha Dosa
Grade 3
Madoc Township School

DEAR SANTA CLAUS,

I would like two cassette tapes, a growing doll, barbie doll, a new bike, some socks, a pet monkey, a boy barbie, a teddy bear, some books, a ghetto blaster, a fake Santa and five rubber snakes. I want my own car and I would like to be vice president of Canada soon. I hope you can get it all.

Your friend,
Rhonda Stock
Grade 3
Madoc Township School

DEAR SANTA,

My friend Rebecca has been good, so give her a pretty present. I think she'd like a kitten not a mitten. But if you can't get it, I think she'd like a pheasant. Oh, and me. I just want a little, not much. Thank you for listening to me. Bye Bye for now. Merry Christmas!

Your friend,
Sarah Wannemaker
Grade 3
Madoc Township School

DEAR SANTA CLAUS,

It's almost Christmas and mom has none of her Christmas shopping done yet. I have two brothers. They want a whole bunch of things for Christmas and I do too and my friends want a whole bunch too. My Mom and Dad won't tell me what they want for Christmas. Maybe you can guess.

Your friend
Ryan McCoY

CHRISTMAS IS COMING

Many things tell us that Christmas is near,
The calendar date, the feel of the air,
The stores decorated, Christmas music so sweet
The look on the faces of people we meet
The children around us with eyes all aglow
What Santa Claus will bring them, they're eager to know.
Friends and relations all wondering what
They will buy each sister and brother and tot,
Yes, many things tell us that Christmas is near.
People discussing special treats to prepare
Christmas carols on radio, we hum them aloud
Oh! so sweet to the ear of ourselves and the crowd.
The display of gifts, everywhere we must go
And the hope that on Christmas day there'll be snow
But much more than all of these usual things
Is the feeling so special is one the year brings
The realization that one long ago
In a manger in Bethlehem, with none of this glow
Something happened, for which we thank God night and morn,
The worlds' greatest miracle, Our Savior was born.

ALLEN AND SANTA

by Cory Sutton
Grade 3
Madoc Public School

It was Christmas and Allen wanted to see Santa so he set his alarm for midnight. When his alarm rang he jumped out of bed and tiptoed to the living room. Santa was just leaving up the chimney.

Allen ran into his room and

put on his clothes. Then he went to his dad's plane and got in and Allen said, "I'm glad my dad taught me to fly this plane". Santa was just leaving the next house. Allen started the plane.

He went down the runway and into the air. He followed Santa's sled. When he got to the North Pole Santa was inside but the sleigh was out in the yard. The red sparkly paint

shone in the moon light. Allen just could not resist it. He had to get in it. He did. He pushed a button. It started to go. He saw a button that said, "World". Allen pushed it. The sleigh started to go faster. It went around the world twice. It stopped at the North Pole. Santa was waiting for his sleigh when Allen got back. Santa said, "Merry Christmas".

Dear Santa....

DEAR SANTA CLAUS,

I am very glad you are coming to my house on Christmas. I hope you get me a present. But if you can't, then I won't mind. I wish I had a doll. I wish there were only two more days until Christmas. I would be glad. I might get a bear from my mom and dad and my brother. My grandmother might get me a barbie doll. My grandfather might get me a game. I will be very glad.

Your friend,
Elicia Wilson
Grade 3
Madoc Township School

DEAR SANTA CLAUS,

I wish I had a kitten for Christmas to keep me company and to be my friend. I will be good all of the time or at least I will try to, but I might get in a fight with my sister. I will try not to. I will tell my sister and brothers to be good too. I love you Santa and sometimes I hear people making fun of you. I always tell them that isn't true. I like you and your reindeer. Thank you Santa.

Getting the point

Your fearless editor decided to
take advantage of the free
immunization clinics held
monthly both here in Madoc
and Tweed. Although the
needle was the biggest I've

ever seen, Judith Best, the
clinics nurse, made sure the
task at hand would be quite
painless - which it was. For
more information about immu-
nizations available and when,

contact the Health Unit at
473-4247. Judith informed the
Review however, that the clin-
ics do not immunize against
influenza or rabies.

VON monthly meeting

Shirley Miller, senior nurse
in the Madoc VON office,
reported to the monthly meet-
ing of the Victorian Order of
Nurses, held in Madoc on
November 23, 1988.

Madoc office, at present, has
190 patients on its caseload. In
addition to Mrs. Miller, the
Madoc office presently
employs six full-time nurses
which includes one job-sharing
position and six part-time
nursing staff.

The staff continue to expand
their knowledge by attending

education seminars and
workshops.

Mrs. Miller reported a
successful past year with their
monthly foot care clinic in
Tweed. VON nursing staff are
volunteering their time twice a
month to help at the Quinte
Bingo Hall to raise funds to
assist in keeping the Tweed
foot care service operational.

Madoc VON office has
received donations from the

Stirling Women's Institute
group and the Stirling Lions
Club. The money received
from the Stirling Lions Club
was used to purchase a
glucometer, which will be used
as required for special clients.

With a combination of early
prevention and teaching, the
pediculosis screening program
has run very efficiently this
fall. To obtain further informa-
tion, please contact VON
Madoc office at 473-4630.

My Teddy Bears Christmas

by Jenny Maxwell
Age 8

On Christmas eve we turned off the lights and went up stairs. Every Christmas, I leave my teddy under the tree. I heard something, I ran downstairs, my teddy was

gone.

I started to cry. "What's a matter Jenny?" "My teddy is gone." "Come back up to bed, he'll be here in the morning." "He'll never come back." I went back up stairs, crawled

into bed and went to sleep.

I had a dream. My teddy got to take the toys with Santa in the morning. There was a lot of toys. I unwrapped a present. My teddy was in it. I jumped for joy. I was so happy. I got my teddy back.

Christmas Eve

by Lisa Ellis
Grade 6

"Mommy, Mommy, does Santa come tonight?" Beth roared at the top of her lungs. George was very excited about

tonight. It was soon time for bed. "Ah! Do we have to, Mom? It's Christmas Eve. We want to see Santa come down the chimney."

"Well, just leave some cook-

ies and milk out for him, he will be sure to eat them, for it is a cold, long trip around the world."

After the lights were turned off and Mom and Dad went to bed, they sneaked back downstairs and hid behind the big chair and waited to see Santa.

An hour went by and George saw Santa's big, black boot. Then Beth saw Santa. He put all the presents under the tree. Suddenly, George sneezed and Sally, the dog, barked. Santa looked behind the chair and saw them. Then Santa laughed. HO! HO! HO!

Tommy Saves Christmas

by Ricky Dunkley
Grade 6

Marmora Senior School

It's the year 1985. There is a little boy. His name is Tommy Bakes and he is nine years old. He is waiting for Christmas. Tommy loves Christmas, but Scrooge hates Christmas. He is threatening to ruin Christmas for ever.

It's snowing like a blizzard outside. Tommy's sister Angela is very sick and their dad is stuck in the blizzard. Tommy and his mom are okay. Then suddenly, it happened. Eight reindeer are gone! Scrooge must have stolen them.

There are only four days before Christmas. Tommy was walking down the street and all of a sudden, there he was - standing on the sidewalk looking right at the reindeer.

There were really eight of them! Come one, Come all! Eight reindeer for sale! only \$1600 for all of them!"

Then Tommy just remembered that he read about how Santa had lost eight reindeer. He wrote a letter to Santa which read:

Christmas

by Kerry Leahy

Christmas time comes once a year!

Hip - Hip Hurray! Let's give a cheer!

Santa Claus is coming near!

Santa Claus comes every year!

The Worst Tom Clause Christmas In History

by Jeffrey Brownson

Sacred Heart, Marmora

One Christmas in the North Pole Santa was sick. He had to

ask Tom Clause to bring the gifts. He was mean. He forced the elves to do even more than they were suppose to. Later in the night he was knocking over lamps and when we woke up, our gifts were broken.

The Night Santa Got Sick

by Josh and Jimmy

Sacred Heart, Marmora

One Christmas Santa got sick. It was the worst Christmas ever, until Josh came.

"I'll take those reindeer but," he said and he did! It was the best Christmas ever because of Josh. Santa was happy too!

On what fun it is to sing a sleighing song tonight...and to extend our joy and appreciation of your very valued business:

The Night Before Christmas

The Christmas Story

by David Gravelle
Grade 4
Sacred Heart, Marmora

At that time the Emperor Augustus ordered a census to be taken throughout the Roman Empire. When this first census took place Quirinius was the governor of Syria. Everyone then went to register himself each to his own town. Joseph went from the town of Nazareth in Galilee to the town of Bethlehem in Judaea the birthplace of King David.

Joseph went there because he was a descendant of David.

He went to register with Mary who was promised in marriage to him. She was pregnant and while they were in Bethlehem the time came for her to have her baby. She gave birth to her first son wrapped him in swaddling clothes and laid him in a manger. There was no room for them to stay in the inn. There were kings and shepherds.

by Carrie Lynn Empey
Grade 4
Sacred Heart, Marmora

It was the night before Christmas and all through the house not a creature was stirring not even a mouse. Except a man named John. John was worried. He said, "What if Santa does not come? Then the

children would be sad."

The next morning the mail man came and everybody got their letters back. All the children said, "Why did everybody get a stamp on our letter to Santa Claus?" The stamp said "Santa Claus is going away."

But that night John heard

something. It was Santa Claus. Santa called the reindeer by name "Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner, Blitzen".

When John heard this he smiled and after all Santa Claus came to the children.

by Shelly Maxwell
Age 9
Earl Prentice, Marmora

Once upon a time there was a family. The family was poor. Although they were poor they

The Special Christmas

always had a Christmas tree and they always had gifts under the tree. One day the father went to the woods. When he got to the woods he immediately started cutting down the tree he dragged it home. When Samantha and Shelly saw the tree they said "daddy it's beautiful". "Daddy, when can we decorate it?" said Shelly. "Why not now?" said dad. "Yah Yah" said Samantha and Shelly.

They got out the boxes of decorations and started decorating it. When it was finished they called in their mom. She said it was beautiful. That night the girls went to bed

feeling so happy.

When they woke up they went downstairs. There were lots of gifts under the tree. They went into their mom and dad's room and said "Mom, dad, wake up". "Come see! Come see! There are lots of gifts under the tree." Shelly said "who brought them mom?" "Santa Claus" said mom. "Oh!" said Shelly. "When did he bring them?" "Last night." "Why?" "Well maybe he thought you were good." "How did he get here?" asked Samantha. "He likely came in a sleigh with lots of reindeers."

Santa Loses Weight

by Melissa Carr
Sacred Heart, Marmora

One morning in the North

Pole, Santa woke up. It was one day before Christmas Eve. And Santa was going for a test ride. He put on his overalls half way, when he heard a loud RRRRRRrip. He looked

around. Sure enough he had ripped his overalls.

He went and told his wife, Mrs. Claus. Mrs. Claus said, "Do you want me to sew them?" "Yes please. Sew them for me. So she sewed them up. Mrs. Claus said "You should lose a couple of pounds!" "Does that mean I have to quit eating those Sundaes with whipped cream?" "Yes I'm afraid you'll have to quit eating those sundaes with whipped cream. So Santa went out and tried to weigh him. And Mrs. Claus said: My GEORGE you have lost about three pounds!" I have? said Santa. "Yes you have. Now eat supper and get the toys ready for tonight." "Oh I almost forgot" said Santa. So Santa ate his supper and got dressed and got the toys ready and went outside to his sled. He prepared the reindeer and then he drove out of sight and he said:

Merry Christmas to All
And to All a Good Night!

May happiness and peace be yours in abundance. We thank you for your business throughout the year.

THE BEST CHRISTMAS PAGEANT EVER

by Melissa Carr
Grade 3
Sacred Heart, Marmora

I thought the Christmas Pageant was super. It was the first play that I really enjoyed. It was funny. It was exciting. My mom said it was the best play she ever saw.

by Rebecca Shropshire
Grade 8
Sacred Heart, Marmora

This play is the first one I have been in, in years, but I thought that it was a big success considering the amount of time we had to practise it. We had only a few minor disasters and the audience was very co-operative when we did. It was a lot of fun to do but I was relieved when it was all over.

by Christy Logan
Grade 6
Sacred Heart, Marmora

On Tuesday, Dec. 13th, 1988, Sacred Heart School held a play called the Best Christmas Pageant Ever. If it wasn't for the Herdmans the play wouldn't be too good. It was very funny. I liked it a lot. I think the meaning of the play was to be good kids and no matter what you look like or who you are, then, if you try to

do something, you can do it.

by Michelle Foley
Grade 5
Sacred Heart, Marmora

I feel like I wanted to be in the play because it was so funny. I thought the play was good. It was good how the kids learned about Jesus.

I am glad how they gave the kids a chance. Mrs. Rashotte did a very good job.

The actors forgot their lines, some of them anyway. Good job.

by Sarah Wells
Grade 6
Sacred Heart, Marmora

There was a pageant for Christmas called The Best Christmas Pageant Ever. It was funny and people enjoyed it. I played Gladys Herdman, 8 years old, and it was fun. I dressed up really messy and it felt good to have cold ashes on my face. These are not my real feelings. My real feelings are that I'm happy that Mrs. Rashotte decided to have a play and picked me. Thank you, Mrs. Rashotte!

by Cori Lynn Robinson
Grade 5
Sacred Heart, Marmora

I think the Christmas

Pageant was an excellent success and that I also think that Mrs. Rashotte did a wonderful job. Plus I also think that a lot of people thought that it was funny and hilarious.

by Angela Jones
Grade 6
Sacred Heart, Marmora

On Tuesday, Dec. 13th, the grades 3-8 of Sacred Heart School put on a play called The Best Christmas Pageant Ever. It was acted out in Marmora Sacred Heart Parish Hall. The 6 main roles of the Herdmans were played by Lonnie McCauley as Ralph, Nichole Horvath as Imogene, Christopher Tallman as Claude, Troy Thompson as Ollie, Jamie Logan as Leroy, Sarah Wells as Gladys.

As an actress in the play I found it well organized and very comical. The play was a huge success with many thanks to Mrs. Rashotte, one of the teachers who took time and a lot of effort to put it on.

by Kristina Skocic
Grade 6
Sacred Heart, Marmora

When I was watching the play, I wished I could be in it. It was funny and very well organized. Mrs. Rashotte did a very good job. The actors and actresses also did good.

This little girl was the main character in the play performed by the children at the Children's Nursery Center in Marmora. With the costume she is wearing, I guess it's easy to tell she played the part of Santa Claus.

PEACE ON EARTH

May the radiance and gift of His love light your way to everlasting peace and contentment. Best wishes for a joyous Christmas.

The True Birth of Jesus

by Margie Bailey
Sacred Heart, Marmora

Once in Nazareth there lived two people named Mary and Joseph. They wanted a baby. The next day Mary woke up and Joseph was in his workshop. All of a sudden an angel came in and said "You are going to have a baby boy." So Mary ran to her sister Elizabeth to tell her the good news. Then Elizabeth said I always wanted a baby boy and I will tell you the whole story. Well, I just woke up when an angel came and she told me I

was going to have a baby boy too. I am so excited and Mary went home to tell Joseph the good news.

Joseph and Mary decided to go to Bethlehem the next day. The next day Mary and Joseph were ready to go to Bethlehem.

So first they went and bought a donkey for the long journey to Bethlehem. Right after they got the donkey they started their journey to Bethlehem. As soon as they got to Bethlehem Joseph went in to the inn but it was too late. The inn was already full. The kind manager

let them stay in the stable.

Soon after the birth of John the Baptist, Joseph had a dream. He saw an angel from the Lord standing beside him. The angel said, "Joseph son of David do not be afraid to take Mary as your wife, for which is begotten in her is the Holy Spirit and she shall bring forth a son, and you shall call his name Jesus. Soon after that Mary had the baby Jesus. The shepherds came with their sheep and right after the shepherds came, three wise men from the East bringing gold, frankincense and myrrh. That is the way the story goes.

Christmas On Mars

by Robby Gravelle-Gradtree
Sacred Heart, Marmora

One night it was Christmas on Mars. That night an elf was

lost and he was supposed to write a story book and didn't write it. So another elf had to finish it. He didn't want to but he had to do it. When he said

that Santa got mad he fired him. He was looking for another elf. The day before Christmas he found one. Then it was a happy ending.

Christmas Eve

by Justin Lees
Sacred Heart, Marmora

Two weeks before Christmas Eve, Santa was working in his workshop making toys for all

the boys and girls. At last Christmas was here and all the boys and girls were very excited.

In the night Santa left the North Pole with all the presents. Then Santa came to

the first house he got stuck in the chimney. He couldn't get out. He got unstuck and fell with his big bag. He gave the toys to all the children and everyone had a wonderful Christmas!

Christmas Adventure

by Jason Wiley
Age 7
Earl Prentice, Marmora

Santa Claus took me with him on Christmas Eve! When I got in his sled he said ho-ho-ho are you ready? And I laughed

at him. And I liked it when we went across the moon. And it was so bright I could hardly keep my eyes open. Then Rudolph's nose light burned out and I had to hold a lantern so Santa could see where to go.

Christmas On the Sun

by Daniel Tallman
Grade 3
Sacred Heart, Marmora

Once upon a time there was a Christmas on the sun. It was hot, very hot, so hot I wondered how Santa was going to get

here. We will build him a rocket. So we sent him a rocket and the next night, Santa came. He slid down the chimney. But the fireplace was lit because on the sun the fireplace is always lit. Just then Santa hit the fire.

The Snow Girl

by Danny Rutnan
Grade 6

One day Melanie went outside to build a snow girl. Melanie rolled and rolled the snow into a ball. The snow girl's body was so big it looked like diamonds. Melanie ran in the house. Melanie called mom and

dad, "Look what I see!" Where did you get them. I was rolling the snow to make a snow girl.

They went outside. They were real diamonds. They went to Hawaii for Christmas. Melanie invited her boyfriend Danny to go with them.

YOU'VE BEEN OUR KEY TO ANOTHER SUCCESSFUL YEAR.

Many Thanks, Friends

As we remember old friends and new, it is our pleasure to say, "thanks and happy holiday" to special friends like you.

CHSS NEWS

Students at CHSS gave a gift of \$600 to the Tweed Salvation Army (the money was raised through the Christmas auction). The cheque was presented at the junior Christmas assembly.

This year's Christmas assembly was the biggest yet. Sheri Martin and Eric Likkemann were the masters of ceremonies. The "line-up" consisted of the first and second-place airbands, two performances by the jazz dance club, and two girls' gym classes also danced. Of course, Christmas is not complete without a visit from Santa. Yes, Santa came all the way from the North Pole.

The winners of this year's crowbar were Mark Dunn and Julie Fleming. This award is given by Santa to the couple that are together the most. There was also a mystery performance. The teachers

lipsynched a song and acted it out. It was, overall, very entertaining!

Mrs. Berkhuizen's independent living class cooked their own Christmas dinner. The dinner consisted of chicken, gravy, stuffing, peas, carrots, mashed potatoes and, for dessert, cookies and fudge. There were five groups; each created a different dish.

On Tuesday, Dec. 13, Wednesday, Dec. 14, and Thursday, Dec. 15, students from the OAC Theatre Arts travelled to Tweed, Madoc and Marmora schools to perform a play and a workshop. The kids seemed to all enjoy the "visit". At the Tweed school, 150 students participated in the workshop. The students enjoyed doing the performance as much as the kids did.

P.S. Next week, I'll likely have a copy of the exam schedule.

Missing the point

MADOC

by Rev. J. McEwen

How many people miss the point? You are trying to make even when it is very clear? This was brought home to me when I read the following recently. Orville and Wilbur Wright, sent their sister a telegram one Christmas. It was dated December, 17th, 1903, and read, "Have flown 120 feet. Will be home for Christmas." Delighted at her brother's accomplishment of actually taking to the air, the sister rushed to the local newspaper office with the telegram.

The editor read it without a word, when he finished he smiled and said, "How nice your brothers will be home for Christmas." He had missed the point entirely. Before we denounce him, however as being a bit slow or stupid, let's think about others who have

missed the point.

King Herod missed the point according to Matthew 2:1-3. When Jesus was born in Bethlehem of Judea in the days of Herod the King, Behold, there came wise men from the east to Jerusalem, saying, where is He that is born King of the Jews? For we have seen His star in the east, and have come to worship Him. When Herod the king had heard these things, he was troubled, and all Jerusalem with him.

Many people in our world today are missing the point concerning the celebration of Christmas. Christmas is supposed to be held in honour of Christ's birthday. The tragedy is that Christ is crowded out of our lives as we become involved in materialistic pursuits.

The men who wanted to stone the sinful woman missed the point of Jesus teaching entirely. They were men of religion and learning, and were not stupid or dense.

Pilate was an able man who questioned Jesus Christ at length and had a very high opinion of Him. He too had missed the point of our Lord's ministry. Judas, a chosen man who lived with for three years

and heard Him pray and teach and saw Him work miracles, altogether missed the point of His coming. Even today many have joined the church for a multitude of wrong reasons such as business connections or social advancements or to be a good neighbour that miss the point completely that Jesus came into this world to be our Saviour, and everything else is secondary to that.

The Christmas message is the greatest story ever told. John 3:16 says, "For God so loved the world that He gave His only begotten Son, that whosoever believeth on Him, should not perish but have everlasting life. The message of Christ's birth, death, resurrection and ascension, when received by the penitent sinner, does what nothing else can do. It bridges the deepest chasm of hate, it spans the gorges of slander, it scales the mountain of despair, and sails every sea where there is a human need. The Gospel can make the impure, pure; the untruthful, truthful; the thief an honest man.

Accept Jesus today and experience first hand, what Christmas is all about.

Snow sculpture contest

Yes, we are having our annual snow sculpture contest and, no, we cannot guarantee snow. If we have not got sufficient of the white stuff for the sled dog weekend, we will judge two

weeks later.

Application forms will be available at the Gift Shoppe right after the New Year. For information, call the Drapers 472-2631.

Madoc OPP Report

As a result of an investigation by Madoc OPP, a Marmora area man is in custody on the following charges: Forcible Confinement, Careless Use of a Firearm, Threatening to Cause Death, Assault with a Weapon.

Forty-three-year-old James E. Lummiss of RR 2, Marmora, was charged by police after they received a complaint that he assaulted his estranged wife, Mary Lummiss and Michael Mulrone of RR 2, Marmora, at a location north of Marmora.

Allegations were made that Mrs. Lummiss was forcibly removed from a residence and held overnight at various locations in the Marmora area.

James E. Lummiss was arrested by police without incident at approximately 2 p.m. on December 11, 1988. He is to appear at Provincial Court Belleville on December 22, 1988.

Provincial Constable John W. Ball is the investigating officer.

LOTS OF LOVE

by Bessie Tebworth

Before your gifts are all wrapped up,
And gaily ribbon tied,
Oh, please remember to enclose
A lot of love inside.
The gift itself may be quite small,
But love tucked in with care
Can change it to a wondrous thing
An offering rich and rare.
The gift itself may soon wear out
Its usefulness be past
But always, you can be quite sure
That love, tucked in will last.

Season's Greetings PIGDEN'S MECHANICAL LTD.

SPRITELY

THE

RELUCTANT

REINDEER

DEAR SANTA CLAUS,

I hope you have a good Christmas. Did you like what we left you last year? Did your wife go on that ride with you? How are things going up at the North Pole? May I, please have a Magic message pony? I definitely liked what you brought all the years before.

Your friend,
Pamela Morrison
Grade 3
Madoc Township School

DEAR SANTA,

This year I don't wish for much. I ask for so little. All I want this Christmas is a kitten. I don't want any toys. I've always dreamed of having a kitten. Just one question, if I get a kitten, how will you get it to me? Oh, I shouldn't ask a question like that. If I can't have a kitten, I don't want anything. Thank you for your time.

Your friend
Rebecca Cromwell
Grade 3
Madoc Township School

One day Allen the elf went to
buy a reindeer from the local
reindeer broker. He had over
ten-thousand reindeer. Allen
saw a really cute one and
bought it.

One day Allen felt something
was wrong. He went to the
stable to see Spritely (which
was the reindeer's name), but
he was not there! Spritely was
just playing with Rudolph in a
manger in Bethlehem. Allen
went to take him home but he
was reluctant so he did not go.

"You stubborn brute," said
Allen but he did not mean it.
Allen went home and told
Santa Claus what had
happened but Santa was talk-
ing to some shepherds.

Chris was an eleven year old
boy who had a nice neat, neat
list for Santa. Here is what it
said:

Dear Santa,
I have been good this year so
here is what I would like:
electric turbo train, Ghostbus-
ters ecto 2, two blue water-
guns, boglin.

"Oh my," said Santa. "I
must give this boy what he
wants." Angela was a tall girl
that was 20 and this was her
list: Tom Cruise poster,
Limousine, Orphan boy.

"I will send Allen to live with
her." He sent Allen and Spritely.
They had a happy life with
Angela.

The Night Before Christmas

'Twas the night before Christmas, when all thro' the house Not a creature was stirring, not even a mouse; The stockings were hung by the chimney with care In hopes that St. Nicholas soon would be there. The children were nestled all snug in their beds, While visions of sugar plums danced in their heads And mama in her kerchief, and I in my cap, Had just settled our brains for a long winter's nap When out on the lawn there arose such a clatter I sprang out of my bed to see what was the matter.

Away to the window I flew like a flash, Tore open the shutters, and threw up the sash. The moon on the breast of the new-fallen snow Gave a lustre of midday to objects below: When what to my wondering eyes should appear But a miniature sleigh and eight tiny reindeer, With a little old driver so lively and quick I knew in a moment it must be St. Nick; More rapid than eagles his coursers they came And he whistled and shouted

and called them by name.

"Now Dasher, now Dancer! now Prancer and Vixen! On Comet! On Cupid! On Donner and Blitzen! To the top of the porch, to the top of the wall: Now dash away, dash away, dash away all!" As dry leaves that before the wild hurricane fly, When they meet with an obstacle mount to the sky, So up to the housetop the coursers they flew With the sleigh full of toys, and St. Nicholas too. And then in a twinkling I heard on the roof

The prancing and pawing of each little hoof. As I drew in my head, and was turning around, Down the chimney St. Nicholas came with a bound. He was dressed all in furs from his head to his foot, And his clothes were all tarnished with ashes and soot. A bundle of toys he had flung on his back, And he looked like a peddler just opening his pack, His eyes, how they twinkled! His dimples how merry! His cheeks were like roses, his nose like a cherry, His droll little mouth was drawn up like a bow

And the beard on his chin was as white as the snow

The stump of a pipe he held tight in his teeth, And the smoke it encircled his head like a wreath: He had a broad face and a little round belly That shook when he laughed like a bowl full of jelly, He was chubby and plump... a right jolly old elf, And I laughed when I saw him, in spite of myself A wink of his eye and a twist of his head Soon gave me to know I had nothing to dread.

He spoke not a word, but went straight to his work And filled all the stockings, then laying his finger aside of his nose. And giving a nod, up the chimney he rose. He sprang to his sleigh, to his team gave a whistle, And away they all flew like the down of a thistle: But I heard him exclaim, ere he drove out of sight, "Happy Christmas to all, and to all a good-night!"

Mistletoe is quite a scene
Mistletoe is two
Mistletoe is me and you.

Dear Santa....

DEAR SANTA,

I would like a full grown giraffe for Christmas. Could you put it on the roof, please? I would also like an elephant. Put it in a huge crate. A mattress for my bed would be nice. Mine is as hard as a rock. Can you get me the biggest Christmas tree in the world please and thank you? I would like the Toys "R" Us store too.

Love,
Mike Rose
Grade 3
Madoc Township School

DEAR SANTA,

I have some ideas for you. Why don't you travel by ski-doo or phone all over the world? Get Prancer to stop teasing Rudolph. But even if you don't try these ideas, you'll still be nice. If I were you, I would shave my beard. Why don't you come to schools and give a supply of pencils to the schools.

Your friend,
Ben Wilson

McLean - Pitts Wedding

At the Wharton Hotel, London, Ontario, on Oct. 8, 1988, Reta Jayne Pitts and Craig Francis McLean were united in marriage, in a civil ceremony.

Jayne is the daughter of Mrs. Reta Pitts of Madoc, and the

late James Pitts. Craig is the son of Mrs. Margaret McLean of Thunder Bay, and the late Francis McLean.

The bride was attended by her friend Mrs. Nancy Dantzer of London and the groom's

attendant was his brother-in-law, Mr. Kevin Holloway of Thunder Bay.

A reception was held at the hotel for close friends and relatives.

The couple are residing in London.

Golden - Airhart Wedding

St. Andrews United Church, Marmora was the setting for the October 1, 1988 wedding of Sheila Airhart and Jack Golden. Rev. James Armstrong officiated at the ceremony.

The bride is the daughter of Mabel Clarke, Marmora and the late Jim Clarke, the groom is the son of Jim and Sadie Golden, R. R. 3 Orangeville.

Jim Airhart, of Scarborough, the bride's oldest son gave his mother in marriage. The matron of honour was the bride's only daughter JoAnne White of Frankford and the groom's only daughter Sherrie Golden, of Toronto was bridesmaid.

Bill Taylor, Madoc friend of the groom was bestman.

Ushers were Cory Golden R.R.1, Marmora, groom's youngest son, Kent Golden, Toronto, groom's oldest son, Rick Airhart, Malton, brides youngest son.

Following a reception held at the Lions Community Centre Marmora, the bride and groom enjoyed a honeymoon in Quebec City, Maine, New Hampshire, Vermont and New York U.S.A.

The happy couple are now residing at Fidler's Glen, R.R. 1, Marmora.

Minutes from the Elzevir/Grimsthorpe council meeting

The Inaugural Meeting of the new Council was held in the Council Chambers on Tuesday, December 6, 1988 at 7:00 p.m. with Reeve, Jack Robinson, Deputy Reeve, D. Brough and Councillors, G. Best, S. Roy and T. Stephens in attendance. Jean Holmes, Clerk, heard the Declarations of Elected Office and the Oaths of Allegiance of all members. The Declarations and Oaths were signed and the Council took their places. Reeve, Jack Robinson, welcomed all members and asked for their co-operation. He expressed his hopes and plans for the next three years for building a new office and Council chambers and continuing to carry out the five-year plan for upgrading of roads.

It was moved by D. Brough and seconded by G. Best that the minutes of the last meeting

be adopted as circulated. Carried.

It was moved by G. Best and seconded by D. Brough to appoint Tom Stephens as the Township's representative on the Móra River Conservation Authority for the three-year term of Council. Carried.

It was moved by G. Best and seconded by D. Brough to receive and file the following correspondence for information:

1. Ministry of Agriculture & Food - paid for livestock killed by wolves;
2. Ministry of the Solicitor-General - print-out to update;
3. Clerk's Notice - passing of By-Law 88-7 (LaCroix)
4. Ministry of Environment - septic approval for Alex Martin;
5. Application sent for fuel tax rebate;
6. "Siting Task Force" re Low

Level Radioactive Waste Management;

7. Hastings County Land Division Committee - approvals for severances for B. & J. John - subject to zoning to Rural Residential;

10. Minutes - M.R.C.A.; Public Advisory Committee; Tweed Public Library Board. Carried.

Moses Duquette, Road Superintendent, reported to Council. The new truck was discussed, the Storings Bridge job, and the placing of reflectors. It was moved by D. Brough and seconded by G. Best that the following accounts be paid: Road Voucher 11A \$1,920.10 Road Voucher 11B \$5,939.41 Recreation Committee Accounts \$895.20 General Accounts 16,350.66. S. Roy adjourned the meeting, to meet next on Dec. 19 at 7 p.m.

Pool committee formed

ing through fundraising and through donated labour. Mr. Backus, a teacher at CHSS and at the meeting last Wednesday evening representing Bob Bateman, suggested that some donated labour could be supplied by the students enrolled in the construction courses at CHSS. Upon completion, the pool will

accommodate the Village's swimming program already run in residential swimming pools during the summer months. Other programs have already expressed interest in using the pool's facilities. These programs will be allowed access to the pool on a user pays basis according to Reeve Deline.

by Evelyn Lynn

The December meeting of the Queensborough W.I. was held in the hall on Wednesday evening, December 14 with Mrs. J. Bagshaw as hostess.

The President, Mrs. David Gordon opened the meeting with a poem, "The gift of

Love," followed by the singing of O'Canada and the Ode and Collect.

The roll call, bring an item of canned goods or dry food for a good will basket. This was well answered by 14 members and 3 visitors.

Minutes of the last meeting

and correspondence was read. It was decided to give a donation to the Madoc Township School to help with expenses on a trip they are planning to take to Prince Edward Island in May.

It was also planned to give a box of treats to our sick and shut-ins again this year.

The rest of the evening was spent on the theme "Christmas decorations," each person trying to make different kinds of decorations.

The meeting closed with "The Queen" and lunch was served, and a social time was enjoyed by all.

OBITUARY

Hazel Mary Thompson, passed away following a lengthy illness at Belleville General Hospital, on December 2, 1988 at age 82.

Hazel was born at Madoc Twp. the daughter of Florence and Charles Thompson.

She leaves to mourn her sister, Jennie Moore of Peterborough and a brother Allan Thompson of Madoc, a brother John Thompson, of Queensborough predeceased her.

Hazel was a member of Tabernacle United Church, Belleville and was a member of the Comrade and Friendship Clubs. She was a member of the Superannuated Teachers of Ont. The Association of Retired Women Teachers of Ont. The Rebecca Lodge, Madoc, Womens Institute, Queensboro and spent 10 years as a Hostess with Trentway Tours, Peterborough.

A Rebecca Lodge Service was held December 3rd. at 9 p.m.

The Funeral was held December 5, 1988 from McConnell Funeral Home, Madoc with Rev. Jeff Dejong of Queensborough and Rev. K. Caldwell, Belleville, officiating.

Interment was Hazzards Cemetery.

Pailbearers were, nephews Doug Thompson, Bob Thompson, Bill Luukko, Ludwik Kapusta, Doug Burnside and John Devitt.

Honorary bearers: Merritt Hackett, Lawrence Kells, Morley Hancock, Ralph Morton and Keith Armstrong.

NOTICE TO CREDITORS AND OTHERS

Creditors and others having claims against the Estate of Arthur Joseph Poulin, late of the Township of Cashel, in the County of Hastings, who died at the City of Toronto, in the Regional Municipality of Metropolitan Toronto, on the 6th day of November, 1988, are notified to send to the undersigned solicitor for the Administratrix, Brenda Cooney, before the 30th day of December, 1988, particulars of their claim in writing after which last date she will distribute the Estate amongst the persons entitled thereto, having regard only to the claims of which she then has notice and she shall not be liable for any part of the Estate so distributed to any person of whose claims he had no notice at the time of such distribution.

Dated at Madoc, Ontario this 1st day of December, 1988

John W. Bailey,
Barrister & Solicitor,
91 St. Lawrence St. E.

Peace Be With You

Photo by William Freeman

A time for children singing: Of the many wonderful things we celebrate at this time of year none can give us more joy and

happiness than the sweetness and light our children represent. Visit any school gymnasium or auditorium and you

will see youngsters involved in seasonal theatrical presentations and choir-singing. They are, and always will be, our

future. These youngsters above were photographed while performing in the annual Norwood and District Public

School Christmas concert: The Runaway Snowman.

*Season's
Greetings*

26

As we enter a new year, it is important to look back at the progress made in 1988 towards integration and equality for Ontarians with disabilities. A major achievement was the proclamation of the access amendments to the Ontario Human Rights Code last April. These amendments help grant to disabled persons access to goods, facilities and services fundamental to independence and dignity. This means that employers, landlords and other people who provide goods and services to the public must now accommodate the special needs of disabled persons unless doing so would mean undue economic hardship. Because, while public co-operation is vital, if we are to truly integrate our society, goodwill often is not enough. Rights must be enshrined in law.

I am also pleased to report that last year, at the time of writing, 138 community facilities, including centres for disabled persons, senior citi-

zens' centres, churches and legions had received assistance from the Access Fund in the form of matching grants up to \$50,000 to renovate their premises for greater physical accessibility for disabled persons and senior citizens. New features such as ramps, elevators, and FM systems for the hearing impaired persons mean that many more individuals are able to participate in the social and recreational activities of their communities. There are two remaining deadlines for applications to the access fund: April 1 and October 1/89, so more organizations will have a chance to receive funding.

The response to our spring fall educational/awareness campaign in television and print ads was another positive development. The Office for Disabled Persons mounted this campaign to show Ontarians that disabled persons are just like everybody else, and we chose five disabled persons to tell their own stories, in their own words. All around the province people saw these ads and increasingly began to realize that more than anything else disabled persons simply

More Abled Than Disabled

by Barbara Pealow

Remo Mancini asks for attitudinal changes in '89

want to join the mainstream. In the New Year, many of us make resolutions about changing our behaviour. I can't think of a better resolution than deciding to make a personal effort to welcome disabled persons into our neighbourhoods, schools, and workplaces. There are still too many attitudinal barriers to integration, but if each of us does our part, we will have even more progress to report at the end of 1989.

ONTARIO AD CAMPAIGN COMPETES IN HOLLYWOOD The "Do You Have An Open Mind?" advertising campaign of the Ontario Office for Disabled Persons is a finalist in the Tenth Media Access Awards in Hollywood, California.

The awareness campaign launched last spring, includes newspaper and television ads and posters. "They're powerful messages because disabled persons told their own stories in their own words," said Remo Mancini, Ontario Minister responsible for Disabled Persons. "We've had terrific response in Ontario from disabled persons, industry, educators, and the medical profession. It's nice to get recognition across the border too." The competition attracted several hundred entries nationwide in the U.S., Canada and Australia. The goals of the Media Access Office are to improve media images of persons with disabilities and to increase employment. Joe Jackson, from the Media Access Office in Hollywood noted that there was stiff competition in the Public Affairs/PSA's category, and that the Ontario campaign won over entries including one from the Smithsonian Institute. "They're eating your dust," he added. The awards ceremony, the

tenth, will take place in January/89.

TECHNICAL AIDS CONFERENCE

The Technical Aids/89 Conference will be held at Durham College of Applied Arts and Technology in Oshawa on Friday, Feb. 24/89. It is co-sponsored by the Oshawa and District Association for Community Living and the program technology branch of the Ministry of Community and Social Services. The conference is endorsed by the Association for Persons with Severe Handicaps, Ontario Chapter, and is organized by the recently formed Applied Technology Network Group. The purpose of the conference is to share knowledge and introduce aids available to assist disabled individuals. For more program and exhibit information contact: O.D.A.C.L. Eileen Gerber or Carol Ashton, 39 Wellington Street East, Oshawa, Ontario L1H 3Y1 TEL: (416) 576-3011

TOYS CAN HELP TO DEVELOP NEEDED SKILLS

When shopping for a Christmas gift for a disabled child keep in mind some recommendations from the Canadian Toy Testing Council. Here is the council's advice taken from a 1985 report that, unfortunately, is no longer available. For children with cerebral palsy, choose toys which encourage the use of two hands to develop both weak and strong muscles. Toys should be especially durable, not contain too many small parts that are difficult to grasp and be constructed so they do not roll out of reach too easily. Some toys which may be appropriate for a child with cerebral palsy are Ambi's Active Baby. This toy which is geared for a 6 to 24 month old

child, has four stimulating, colourful, plastic toys to rattle, roll, whistle, squeak, reflect and stack. Fisher-Price Activity Blocks are also appropriate for 6-18 month old babies. When choosing toys for mentally disabled children, select toys which fit the needs of the mental age, but which aren't regarded as baby-ish to their chronological age. Mentally disabled children prefer concrete ideas, and enjoy toys which present a specific job to do. They like puzzles, and like to follow patterns. Simple family games introduce them to social skills such as taking turns, co-operating and winning and losing. Appropriate toys include: Ambi Active Baby, Playskool Disney Musical Busy Box, Fisher-Price Chatter Telephone. Toys for sight-impaired children should stimulate the senses of hearing and touch (size, shape, texture, weight, spatial discrimination) and develop the curiosity which may be lacking in blind babies. Because children with a visual impairment often sit and walk later than other children, toys which encourage mobility and exercise large muscles are desirable. Toys to help develop fine muscles and teach discrimination skills, and co-ordination skills, are also beneficial. Toys should be sturdy, since visually impaired children will manipulate them more than those with full sight. Sight impaired children "see" with their hands and may manipulate toys in a manner which seems more destructive than usual for children. Toys suitable for the needs of visually impaired children include those mentioned above for the mentally disabled. Toys for the hearing impaired

Books

A helping hand: Robert Stockdale, president of the Norwood Agricultural Society, presents a cheque for \$2,000 to Rob Irving, chairman of the Brethen Coliseum seating project. Last year the seats in the east end of the arena collapsed necessitating a restoration project. Government funding, service club and private donations along with a "Buy-a-Seat" venture has helped defray the costs. Joining Robert and Rob is village clerk, Ross Althouse.

Christmas gifts that will be cherished for a lifetime

The spirit of Christmas - giving a gift that will be treasured a lifetime. Christmas is a time to express joy and love, and what better Yuletide expression of love and joy than the act of giving! There is truth in the old adage, "It is better to give than to receive". Herein lies the true spirit of Christmas.

And there is no gift more associated with love, sentiment, quality and lasting beauty than a gift of fine jewelry.

Jewellery has been given as a gift throughout history. One of the first gifts associated with Christmas was a gift of gold brought to Christ by the Magi, which is how gift-giving at Christmas began.

At first man's fascination with gold as an adornment lay in its intrinsic value. Ancient civilizations worshipped it for its association with Ra, god of the golden sun. Gold is the noblest metal worn by kings and royalty.

The allure of gold continues today. A gift of gold jewellery is the perfect way to commemorate that first gift, and it will be around for generations. After all, gold withstands the test of time, as shown by the findings from King Tut's tomb and many other archeological discoveries.

Since ancient times, colored stones have been thought to possess magical powers or the ability to endow the wearer with certain attributes. Gems are as unique as people and each has its own separate personality characteristics.

For a personalized and individual Christmas gift, choose jewellery set with a person's birthstone, or research the folklore surrounding a stone and select one which captures the wearer's characteristics.

For example, one who is enamored with the sea, or a world traveller, would be the ideal recipient of a cool blue aquamarine. Emerald's intense green would help one become an eloquent speaker.

Fascinating folklore follows every stone, and selecting the right one can be a fun adventure for the giver. Not only do gems come in every color, there are all price ranges for each color. In red, deeply hued garnets can appear as rich as rubies.

Diamonds' association with love and giving can be traced far back into history but it was in 1477 that the polished diamond officially became the betrothal ring, when Maximilian of Austria proposed to Mary of Burgundy.

Love and the Christmas spirit seem to create a romantic setting for marriage proposals, proven by the fact that the month of December accounts for 25 per cent of all diamond engagement ring sales, as compared to June, which accounts for 10 per cent. Diamonds set in all jewellery designs add a special sparkle to a Christmas gift.

Because of their mysterious origin from the sea, pearls were believed to be the most magical and powerful gems, particularly in the realm of love. The pearl is the oldest gem in the world, dating back to 3500 BC.

From that time, the pearl's shimmering and mesmerizing inner glow was reputed to bring, bestow, enhance and sustain love. In fact, one of Sir Lancelot's ladies gave him a pearl emblem from her dress as a token of her love.

Pearls also symbolize truth. Such a virtuous gem reflects the spirit of Christmas expressed in all styles of pearl jewellery.

Jewellery's enduring nature throughout history, guarantees that today's Christmas gifts will become future heirlooms. Gifts of fine jewellery will be around longer than faddish gifts which don't last long beyond the holiday.

The spirit of Christmas past can be revitalized today in antique or "retro" style jewellery from past generations which, given new life with the help of your local jeweller, can be passed onto future generations. Fashions this year call for period jewellery in Victorian or Art Deco designs from pins to "retro" style watches.

Jewellery as an adornment serves as a form of individual expression. When choosing gifts of fine jewellery, you can take into consideration the

recipients' taste and sense of personal style and self-image.

Do they wear more conservative career clothes or are they more avant garde? Do they look better in certain colors, shapes or lengths of jewellery? Do they have favorite motifs they traditionally like to wear, or a hobby interest they like to express?

It can be fun picking out jewellery so special and unique that the recipients will know that you took the extra time and thought just for them.

Your local jeweller can help you select those special Christmas gifts of fine jewellery by showing you a wide variety of styles based on your needs and budget.

And when these gifts need servicing, your jeweller will take time and care to clean them, size them and replace clasps in order to maintain their beauty and life.

Polaris believes you shouldn't have to spend a fortune to have fun. Which is why we build the Sprint ES and the Star, both full-sized snowmobiles, and the only machines in their class with Polaris' exclusive direct drive.

The Sprint ES is one of the lowest-priced twin-cylinder (340cc's) snowmobiles available, yet it comes with the kind of features the competition charges extra for. Electric key start and a speedometer are standard for instance.

Indy Sport remains the lightest lowest priced IFS Sport Sled you can buy. Its 340cc twin combines great performance and great mileage.

Helping Santa or the trip with Santa

By Sarah C.

It was a week before Christmas and people were in a hurry to finish Christmas shopping.

I, of course, was relaxing at home and having a great time with Boo-Boo (my dog) and we were sitting by the fire. I was great to be at home with my favourite dog.

"Boo-Boo, want to have a snack and watch the new movie I got?"

"I thought you would."
We had cookies and chocolate milk. It was delicious!

The movie I got was Ernest Saves Christmas.

"Ding-dong, I'm home!"
Oh great, it was mom.

"Did I get anything?"
"No. This was all for your cousins."

"Well, it's getting late I better go to bed. Good night mom."

I was upstairs in bed then I got a message from Santa. It was an elf and he said, "Come help Santa in the North Pole!"

Then he said, "Come with me." So I quickly got into my clothes and went without telling mom.

THE THREE DAYS BEFORE CHRISTMAS

BY Bradley Maybee
(grade 2, St. Paul's)

Lucy said to Jimmy, "What day is it?"

"Why, Saturday," said Jimmy.

"Good," said Lucy, because Santa comes in three more days and we get to open our presents."

Lucy and Jimmy sang Jingle Bells around the Christmas tree.

In the morning they went downstairs and ate their cereal. Then they went out to play on the swing set. It got cold so they went to eat. They drank hot chocolate and went to bed. In their dreams they thought about what they would do on Christmas day.

In the morning, Lucy and Jimmy went downstairs. They waited for their mom and dad to come and take pictures. While they opened their presents, they sang Jingle Bells.

MERRY

CHRISTMAS. DICK
AND JANE

BY Katie Coughlin
(grade 2, St. Paul's)

It was Christmas morning. Dick and Jane got up to open a bunch of their presents. Dick got a bunch of cars and Jane got a doll. They were happy with what they got.

They went into the kitchen. Dick said, "The cookies that we put out are gone!"

"Then Santa did come," said Jane.

Just then their mom and dad came downstairs.

"Merry Christmas," they

We were in the North Pole and before I knew it I was standing right in front of jolly old Saint Nick.

"Ho, ho, ho, merry Christmas," he said to me.

I was so surprised my eyes almost popped out of my head.

"Sarah, I need you to help save Christmas. You see, I can't get a bigger sleigh and don't have enough toys made and I - 'cough, cough' - have a bad cold and Rudolph has a bad headache and can't use his nose for the big blizzard and I need someone to help."

"Could you help me?"
"Sure I can. I would be honoured," I replied.

I stayed there that night and the next day I helped Santa with his problems.

The next day I took Santa to the doctor and took Rudolph to the vet.

I was left in charge and had a big day ahead of me!

I put the reindeer to work and the elves to work; first I helped the elves with making the toys. I made sure they were doing a good job. Then I went outside and put the reindeer to the sleigh and saw how they were doing with their flying.

Meanwhile, the veterinarian was taking care of Rudolph.

He said "it might be a bad sign of the flu for reindeer and if he doesn't take this medicine he will never get well."

This was a bad sign. After a few hours, Santa came home.

He looked a lot better than before.

"Santa are you all right?" I questioned.

Oh I'm fine. The doctor said that I might fight for Christmas. How's Rudolph?"

"The vet said he would get well soon if he took this medicine."

It was a week later and I had returned home. Mom had thought I was in bed all that time. That's when I found out time was slower here than in the North Pole.

I stayed home for a day and the next night I returned to Santa. He wanted to give me a reward and because I helped out and did a good job he asked me if I wanted to go with him on Christmas and help deliver the toys. I said of course I would, so on Christmas night I went with him.

It was a dream come true.

Plum Pudding: Vic

Centerpiece of the Victorian Christmas table, and dating back at least to the 17th century, the plum pudding is a holiday dessert as traditional as they come!

Enshrined in the pages of Dickens, this "wonderful pudding" is the culinary incarnation of the Yuletide spirit, and is familiar not only in England, its home territory, but around the world.

People who have never eaten plum pudding, never even seen one, still are familiar with the image of the plum pudding, carried flaming to the table, the piece de resistance which naturally follows roast goose on classic Victorian holiday menus.

So, what exactly is a plum pudding? First of all, despite its name, it usually contains no plums. Rather, because the British esteemed dried plums, many other dried fruits - raisins or currants, for instance, which are copiously present in the traditional plum pudding - are, on occasion, referred to also as "plums".

Another interpretation has it that the plum in the dish's title may refer to the pudding's tendency to swell when cooking - alternately, "plump" or

"plum". Besides dried fruits, the plum pudding generally contains beef suet, brandy, almonds, sugar and eggs, and is redolent with many of the customary Christmas spices - cinnamon, nutmeg, allspice, mace and cloves - making it rich and filling, though not terribly sweet, nor dessert-like, in the modern sense of the words.

Topping the plum pudding off, traditionally, is "hard sauce" a buttery, braided sauce which is spooned over each portion.

Like King's Cake, another ages-old Yuletide dessert, plum pudding contains some "ingredients" which are distinctly non-edible. For, stirred into the batter are a handful of silver trinkets - a ring, a thimble, a coin and button.

According to popular custom, the person whose portion contained the ring could look forward to marriage in the year to come; the thimble signified spinsterhood, and the button, bachelorhood; while the coin, reasonably enough, predicted wealth for its finder.

Another symbol garnished the top of the plum pudding when it was served: According to a time-honored usage, a single sprig of holly, whose presence takes us back to Druidic times (recalling the lucky evergreen boughs whose presence pervades this pre-Christian religion), and which, in fact, was adopted into Christian Yuletide practices many centuries before its appearance on the top of plum pudding.

Because, like fruitcake, plum pudding improves with age, the batter for it was begun traditionally on the last Sunday before Advent - "Stir Up Sunday".

Named for the collect read in church on that day, whose first words, strikingly are "stir-up". Stir-Up Sunday was the day on which housewives across England began their Christmas culinary preparations in earnest.

The whole family took part in stirring the pudding, because everybody who took a turn at this task was entitled to make a wish.

Thereafter, the pudding was stirred weekly, until Christmas morning, when it was put up to steam, in a mold, a basin

or a bag (a seven or eight-hour process), so that it would be done in time for Christmas dinner late that afternoon.

If this all sounds like a great deal of work, imagine the labors involved in creating the largest plum pudding ever made, which dates back to 1819 when, in the town of Paignton, in Devon, England, which used to make a communal plum pudding once every 50 years, a plum pudding was concocted that weighed in at 900 lbs., so heavy that it required three horses to pull it.

Exceedingly different from the Christmas desserts enjoyed today - the beef suet alone lends it a distinct flavor - plum pudding, rich as it is, continues to claim adherents. If you've never tried one, this Christmas may be just the opportunity you've been waiting for!

The recipe below, for Victorian Christmas Pudding, and the accompanying recipe for Hard Sauce, are both reproduced from Mim Sheraton's Visions of Sugarplums (Harper & Row), the classic compendium of Yuletide desserts from around the world.

For all its charm and warmth, Christmas is a season to celebrate. Thanks, friends, for your very valued business.

Season's Greetings

From 

J.B. Asparagus Farm

Fish & Game Club Road
Frankford

VICTORIAN CHRISTMAS PUDDING

- 1 lb. beef suet, shredded
- 2 cups sifted flour
- 4 1/2 cups bread crumbs
- 1 lb. seedless black raisins
- 1 lb. currants
- 1 lb. sugar
- 2 cups mixed diced candied citron,
- orange and lemon peel
- 1 tsp. grated nutmeg
- 2 tsp. cinnamon
- 1 tsp. mace
- 1/4 cup blanched and slivered almonds
- 1/2 tsp. salt
- Juice and grated rind of 1 lemon
- 1/2 cup brandy
- 8 eggs, well beaten
- Milk, only as needed

Brandy for flaming Hard Sauce.

Dredge suet with a little flour. Combine with bread crumbs, remaining flour, raisins, currants, sugar, candied fruit peels, nutmeg, cinnamon, mace, almonds and salt. Toss together well until thoroughly mixed.

Mix lemon juice and rind with brandy and eggs. Stir into dry ingredients and set aside in a cool place for 4 to 5 hours. Stir in just enough milk (about 1/4 cup) to make a stiff paste. Do not make pudding too wet or it will be heavy.

Turn into a well-buttered gallon-size pudding mold, or several smaller ones, dividing it any way you wish. Cover and place on rack in kettle. Add boiling water to come two-thirds of the way up the side of the mold. Cover kettle and steam pudding for about 8 hours, or until firm. (Smaller

puddings will take about 3 to 4 hours to steam, depending on size.) Add boiling water if necessary to maintain the level. Uncover to let steam escape before unmolding. If you want to store the pudding, uncover to let steam escape, recover and store in refrigerator. (It will keep for months. Steam for about 2 hours before serving.) Set aflame with warmed brandy and serve with sauce.

Makes about 24 servings.

HARD SAUCE

1 cup (1/2 lb.) unsalted butter
1 3/4 cups confectioners sugar
Rum or brandy, as needed
Confectioners' sugar and nutmeg,
for sprinkling (optional)
Cream butter with sugar, adding a little extra sugar if needed to make a stiff paste. Gradually beat in as much rum or brandy as the mixture can absorb while still remaining stiff. Place in glass or china serving dish or jar. Cover and

store in the refrigerator. Sprinkle with sugar and nutmeg before serving.
Makes about 2 cups.

Variation: Spices such as cinnamon, nutmeg and cloves can be beaten in with the butter and sugar to taste. Two cups brown sugar, firmly packed, may be substituted for the confectioners' sugar, in which case add 2 or 3 tablespoons cream with the rum or brandy.

I saw Santa

By Jill Fellion

It was a cold and windy Christmas eve. Me and my brother were hanging our stockings on the record player. We would have hung them on our fireplace but it's downstairs in the basement. Well, we got them hung up and then we both wrote a letter to Santa. This is what mine said:

"Dear Santa: For Christmas all I want to have is a typewriter. Thanks Santa, your friend Jill Fellion. P.S. Write back if you can."

Me and my brother then went to bed. We both slept like babies. It was around midnight when I heard a soft thumping sound! So I quietly tiptoed through the dining room and into the living room and there I saw Santa.

I screamed as loud as I could.

"Santa's here!"
It was a good thing everybody had ear plugs.

"Santa," I said.
"Jill," he said, "you better not tell anybody you saw me. If you tell anyone at school they may not believe you and it might just be an end of a friendship."

"Oh, I promise I won't Santa I just promise."
"Good," said Santa.

Then I turned by back for a minute and turned back and Santa was gone.

The I said to myself, "I saw Santa."

Candle flame

By Gabrielle Woychesko

Candle light O burning bright
And making winter come alive
Naturally fine and very small
Dazzling bright glittering light
Little life

Exactly right
Firing flames very small
Light and easy to carry around
Awaiting for the morning
Maple smelling candle wick
Exactly right good night little life.

Children opening gifts.
Hiding Christmas presents.
Riding the sleighs
Lighting the fires
Sleighing down the hills
Tricking your friend
Merry Making
Acting really surprised
Sad going back to school.

CHRISTMAS
by Victoria Dequehen
Grade 2
Rosenearth Centennial
It was the first day of
December. Each person had a
Christmas tree. When the
twentieth day came the people
had planned that they would
put decorations up for Christ-
mas. This was a long time ago.
Not a very long time ago. On
the twentieth day they put up
their decorations as they had
planned. On Christmas Eve
there was a show about Christ-
mas that was on. That night
Santa came with lots of
presents for the children.
When the people woke up they
opened their presents. It was
breakfast time. It was a very
meery Christmas.

A is for Santa's elves working
hard
S is for Santa is Sleeping after
working all night.

SANTA'S BAD CHRISTMAS

By Brett Prairie
(grade 3/4, NDPS)

Everything was going fine
for Santa until Ernest came
into his workshop and ruined
everything including Santa's
leg. He just said, "Sorry, sorry
Santa!"

Ernest drove Santa to the
hospital. Santa spent half-a-
year in hospital. The doctors
(Dr. Scramble, Dr. Sam and
Dr. Adams) worked on his leg
and couldn't do anything so
Santa had to have his leg
removed. Santa spent the rest
of his life with one leg.

CHRISTMAS

by Janet Ward
Grade 7
Rosenearth Centennial
Falling so gently and slow.
You know it's Christmas
When it starts to snow;
Angels singing merrily above.
And you hear the calling dove:

eggnog, Christmas pudding
and holly.
Are just a few things that make
Christmas jolly.
It's uniquely different from
any other thing.
Sounding bells going ding-o-
ling-o-ling.

THE NIGHT BEFORE CHRISTMAS

By Jessica Arthur
(grade 3/4, NDPS)

The night was full of light.
My friends and I went out for
Christmas carolling. We sang
"We wish you a merry
Christmas."
We went to one hundred
houses. When we were coming

back we saw Santa. He was big
and he wore a suit. We saw
Donner, Dasher, Dancer,
Prancer, Vixen, Comet, Cupid
and Blitzen. I could mostly see
Rudolph.
He was soft.

Christmas safety

Indoor lighting

Be sure to use lighting designed for indoor use. When buying new Christmas lights, look for the CSA mark. It protects you from fire and shock hazards.

Before using any lights or electric decoration, check all wiring, sockets and plugs for fraying, cracks or loose connections. If at all in doubt, replace the old sets.

Be sure to check that bulb reflectors have insulation, consisting of either plastic or another non-metallic material, placed between the lamp and the metal part of the reflector. Reflectors, which fit around the bulbs, require CSA certification. The reflector is often sold with the Christmas light string.

Do not plug lights into a circuit already burdened with lamps and appliances.

If a normal circuit cannot take several sets of tree lights, do not replace the fuse with one of a higher amperage.

Never leave a bulb socket empty for small fingers to explore.

Always disconnect Christmas lights when your family is asleep or away from home.

Do not coil or bunch an extension cord as it may cause overheating. Extension cords should not be walked on or run under a rug. Place extension cords so as not to present a tripping hazard.

Do not allow a cord to become trapped under appliances or heavy furniture, which might result in crushing of the cord.

TOYS

Safety in children's toys comes under the jurisdiction of the Hazardous Products Act, administered by the Products Safety Branch of Consumer and Corporate Affairs Canada, a federal government department.

Choose toys carefully and inspect the toys other people give to your children. Safety in toys should never be taken for granted.

Small children can choke when they try to swallow small toys or parts and the object jams in the back of the throat.

A small object can also be inhaled into the lungs. Some small objects, such as alkaline disc (button) batteries, present a serious threat if they are swallowed.

When a toy breaks, sometimes sharp points or edges are exposed. Keep such toys out of a child's reach and repair them if possible. If they can't be repaired, throw them out.

Mobies have rods and strings that could easily endanger a child. Be sure to hang them out of reach of young children.

Remember that electric toys, such as trains, race car sets, stoves, etc., are not intended for outdoor use where they may come in contact with damp grass, or accidentally be left out in the rain or snow. CSA sets standards for electrically operated toys to protect users from fire and shock hazard. You can look for the CSA mark on transformers for toys and hobby use, such as train sets, and on electrically operated toys like toy ovens. Adaptors commonly used with video games are also CSA certified.

OUTDOOR LIGHTING

Use only equipment that has been designed for temporary outdoor use. Again, look for the CSA mark for protection from fire and shock hazards.

When working with outdoor wiring, be sure to turn off the electricity.

Use only electrical cords designed for exposure to weather. Run the cords above the ground, if possible, draped over wooden stakes high enough to keep them out of puddles and snow.

Do not use metallic fastening devices, such as nails or tacks, to hold strings of outdoor lights in place. Use insulated tape to attach electrical cords to buildings. Be careful not to tape the cords over or along metal eavestroughs; or use insulated staples and be careful not to pierce the wire insulation.

Tape all plug connections with plastic electrical tape making them as watertight as possible.

To prevent moisture from entering bulb sockets, have the bulb facing the ground.

All outdoor lighting should be plugged into ground fault protected circuits.

Outdoor Christmas lights are not designed to be left out all year. They should be brought in after the season is over and carefully inspected before being stored until the following year.

CHRISTMAS TREES

If you purchase a natural

tree, test for freshness by tapping the base of the tree on the ground. If needles start to fall, don't buy the tree; or if pulling the needles out - if they're fresh, they won't pull easily. A dry tree can be very hazardous.

If cutting your own tree, take extra care as to how you yield the hatchet or saw.

Store the tree outdoors, stump in the snow, preferably under shade, until you're ready to put it up.

Before you put it up, recut the butt diagonally (so that it can absorb water), and mount the tree securely in a large reservoir stand with wide-spread legs so it won't tip over. Check the water level daily and add more as required.

If you have kids or pets, use guy wires connected to the wall. Never leave small children alone with a Christmas tree. If possible, put the tree up in an area you can close off to children.

All types of trees should be kept away from fireplaces, heaters and other sources of heat. Trees should never block exits.

Never use electric light strings on metallic trees. Instead, shine a spot or floodlight for a colorful effect.

If a tree catches fire, do not

Deliciously festive holiday treats

'Tis the season to surprise your family and friends with home-baked goodies. For something just a bit out of the ordinary, make these sandwich-style gingerbread cookies with cranberry filling. Easy to prepare and fun to decorate, these deliciously festive treats are sure to brighten your holidays.

GINGERBREAD COOKIES
X(Makes about 2 dozen)
2 1/2 cups sifted flour
1/2 tsp. salt
2 tsp. ground ginger
1/2 cup butter
1/2 cup sugar
1/2 cup molasses
1/2 tsp. baking soda
1/4 cup hot water

Cranberry Filling
1 cup fresh or frozen cranberries, coarsely chopped
2 tbsp. water
2 tbsp. sugar
Easy Icing
1 cup sifted 10x sugar
1/4 tsp. salt
1/2 tsp. vanilla
1 tbsp. heavy cream

Sift flour, salt and ginger together onto a sheet of wax paper.

In a large saucepan, melt butter over low heat; remove from heat, and add sugar and molasses. In small bowl, dissolve baking soda in hot water.

Add dry ingredients to molasses mixture alternately with baking soda water, beginning and ending with dry ingredients. Chill dough two to three hours.

Preheat oven to 350 deg. F. Roll out dough, a small portion at a time, 1/8" thick. Cut with floured cutters.

Place cookies on ungreased cookie sheets. Bake 10 to 12 minutes or until lightly browned. Cool two to three minutes on the sheet. Remove to wire racks; cool thoroughly. To prepare cranberry filling,

combine cranberries, water and sugar in medium saucepan; cook until thickened. Cool. Spread small amount of filling on one cookie; cover with second cookie.

In medium bowl, prepare icing by combining sugar, salt, vanilla and heavy cream; blend well. Decorate and outline cookies with icing.

Christmas safety

Cont'd from page 12-A
attempt to move it. If possible, put the fire out with an extinguisher (keep one nearby). If not, evacuate the premises and call the fire department.

DECORATIONS AND PLANTS

Make sure decorations don't wind up in children's mouths. They should be flame-resistant, non-combustible and should not conduct electricity.

Do not use the decoration angel hair together with spray-on snow - the combination is highly combustible, according to the Canada Safety Council.

Teach children not to eat any part of Christmas plants such as holly, Jerusalem Cherry, mistletoe and poinsettia; they can cause intestinal irritation and vomiting.

MEMORIALS

ELLIS, Orvie, In Memory of my dear husband, who passed away December 3, 1973.
We keep in our hearts,
The love of the past,
For there it was planted,
Forever to last.
To have, to love & then to part,
Is the greatest sorrow of one's heart.
Sadly missed by wife Meta (May).

HENRY - In loving memory of a dear father and grand-

HENRY - In loving memory of a dear father and grandfather (Walter) who passed away December 17, 1987. The world may change from year to year, And friends from day to day, But never will the ones we loved, From memory pass away.

son Marvin, daughter-in-law Sharon and grandchildren Cathie & Danny Badgley.

KENNEDY - In memory of a dear husband, father and grandfather. Reg. who passed away December 18, 1978.
God took him home, it was His will,
But in our hearts, we love him still;
His memory is as dear today.
As in the hour he passed away.
Lovingly remembered by wife Mavis, children and grandchildren.

MORRISON - In loving memory of a dear mother Carrie, who passed away twenty-five years ago December 20. There is a sad, but sweet remembrance, There is a memory fond and true; There is a token of affection And a heartache still for mother. Myrtle and Verne.

Santa is missing

Once upon a time it was two days until Christmas and everybody had their Christmas trees up and everybody had their Christmas shopping done. Tonight was Christmas eve and there was no sight of Santa.

Was he missing? It was two o'clock in the morning and still no sight of Santa. And then Santa appeared but Santa was not riding. It was Ernest who was riding - Santa had the flu. Ernest went up and down and made loops. It was hard for the reindeers. Ernest tipped over and all the toys fell out and they floated in to everybody's chimney and Christmas was saved by Ernest. And Santa was glad but the reindeer were sick.

The sad bulb

By Tammy Kostashuk (grade 3/4, NDPs)
 It all started when they were putting decorations on the tree and when they came to me. They said that I was too old and worn to put me on the Christmas tree. SO they left me in the box.
 That night everyone went to bed. I heard a sound coming from the chimney. I hopped out of the box and said "Santa, the people in this family will not put me on the beautiful Christmas tree."
 "They said I was too old and worn."
 Santa said, "Ho, ho, ho! I will fix you up so they will put you on the tree."
 He polished me and put some special Sparkles on me. When they woke up the next morning they said "Wow! Look at this bulb. It is beautiful!"
 So, from that night until next Christmas they never put the bulb back in the box.

MERRY CHRISTMAS
 1988
